York for export CORNMEAL—Steady; fine white and yellow, \$1.20g1.25; coarse, \$1.12g1.15; kiln dried, \$2.55.
WHEAT—Spot market irregular; No. 2 Cables showed some strength at the opening and wheat opened higher on buying,
due to cold weather predictions. Shorts
were nervous during the early trading,
and faced a sharp advance, which was
lost later on the alow cash demand and
renewed liquidation.

Corn was firm and steady without much
snap. Cash demand is not improved, and
with any increase in receipts values should
with any increase in receipts values should
decline.

The show of strength in wheat was due two influences, profit taking by shorts of replacing of long wheat on the theory hat the break of 7 cents should be followed at a fair sevence, views continues bear a fair sevence, views continues bear to the however Cash wheat was fairly active to the higher.

There was evidence of better commission for No. 2, 2019c; No. 4, 36c. There was evidence of light country for the property of the higher was without transactions, country to the higher was without transactions, country to the higher was without transactions, country to the next transactions, country to the higher was without transactions.

There was evidence of better commission house buying of corn on light country offerings. Feeding is reported heavy from all quarters and at these prices is profitable and farmers are independent about pressing their surplus for sale. Cash corn sales were reported unchanged to be lower. Frimary wheat receipts were \$12.000 bushels against receipts last year of \$23.000 bushels and shipments were \$23.000 bushels.

Frimary crrn receipts were \$23.000 bushels and shipments of \$24.000 bushels.

count did not materially sharpen competition.

The best light animals on sale topped at \$7.40. Good mixed moved around \$7.25, and lard grades had to move at \$7.20 and less, quality and weight determining the price.

The market closed at the low point of the day, many of the late sales showing a decline of 30835c. It was, in fact, the worst market experienced at this point in a long time.
