In prac-Illinois politics. It would be a gross mis- ought to know it. interpretation of Mr. Taft's character to suggest that he took his stand from any ulterior motive. But it may be pointed out that he has deserved the gratitude of an important and influential faction in the middle west, and that while there is no suspicion whatever of any bargain, the course of things as here described makes it appear not unlikely that he will secure important and influential newspaper support from Chicago in his campaign for renomination and re-election. The fact that from this same quarter there has of late come a notably vigorous impulse for progressive politics would make such support

It is now clear that the insurgents could clusion? hardly have launched their progressive republican league at a worse moment. ency of the individual political ambitions discovered testimony that might have modchiefly responsible for it, when the publication of the Canadian reciprocity agreement condemned it to a still lower rank in importance and completely overshadowed it for at least the time being. Nevertheless, it is worth while to briefly refer to the league because of the activities which it may show in the future, and because of the further indications of its controlling npulses which have been revealed within he last day or so. The league appears ipon close scrutiny to be even more a creation for the political aggrandigement of Senator La Follette than had been eariler suspected, although no doubt this statement would be furiously denied by ome of those identified with the league. It has been a matter of considerable comment that a comparatively large numbe of the insurgents in the house of repre sentatives were not solicited to become members of the new league, and conspicuous among those thus overlooked have been insurgents from lows, followers of Senstor Cummins. In fact, it would not be surprising if the activities of Senator Cummins in the league should prove to be west's. On the threshold of a new Chicago Record-Herald: Senator Jeff of his adherence to the league's principles somewhat moderate, although the sincerity
