Perhaps you think

country on this continent-the richest and best. British Columbia is being

opened up by three transcontinental and other lines of railway.

Over \$0,000.000 acres of rich agricultural and fruit land; 50,-600,000 of the finest timber, coal and mineral lands that have never been touched will be thrown open to the public for development. This is the famous Fort Gorge

Do you want a share of the profits?

Let us send you free a copy of the "British Columbia Bulletin of Information." giving synopsis of mining, land, mineral and timber laws. Costs you noth-Write today,
