There is a prediction that the laborites will vote with the tories against the preamble of the veto bill on the ground that it was inserted to "concliate the whigs in the cabinet.

All arrangements for the momentous business of parliament following the state opening by the king next week have been completed by the various organizations in both chambers, and the work of preparation terminates with the four parliamentary banquets given tonight.

There is a fierce struggle ahead; probably a succession of fierce struggles. Through all sections of the radical coalition upon which the government relies are joined the greater by a supreme ambition to "put the lords where they belong." Mr. Asquith will be held by each to the strictest letter of his promise in every instance. A small defection must prove a grave disaster to his program. Pneumonia to be feared more than death from gun shot.

The frequent changes of temperature in the fall and winter months are the source of much discomfort and destruction of human life. Raw, damp, cold air, snow, sleet and rain take turns at producing acropol holds and congles. These lead to pneumonia. Nearly every case has its beginning in a simple cough and cold that was neglected. Thousands of people die as a result. It is more certain to result in death than a wound from gun shot.

A sudden chill, rising fever, sore throat, hoarseness, running nose, headache, cough, painful breathing are the forerunners of pneumonia.

painful breathing are the forerunners of pneumonia.

Avoid the danger. Try the one, certain, reliable remedy for colds and coughs; namely. Dr. Bull's Cough Syrup. It does not contain any opiates. It is perfectly safe and reliable, it is this best remedy for scotthing and subduing the inflamed conditions of the bronchal tubes and jungs. It checks cough and coid quickly and completely.
