Announcements

This is the most important allaround classification in a newspaper.

It is the advance guard-it tells everything. Business men and all prefer it. They ask for it. They insist on it.

It's the first classification under births, deaths, lodge notices, etc. The Bee is the strongest paper in Nebraska in announcements, running practically twice as many ads as its nearest competitor.

Washington Affairs

WASHINGTON, Feb. 2.—(Special Telegram.)-Leaves of absence: Major Edgar W. Howe. Twenty-seventh infantry, from February 7 to June 6, inclusive; Major James A. Shipton, Coast artillery corps.

The south would prefer the defeat of the resolution calling for the election of United States senators by di. zt vote of the people to its passage, if amended as Senator Sutherland of Utah has proposed, so as to place centrol of such elections in the hands of congress. So declared Senator Percy of Mississippi in a speech today.

Mr. Percy was the only speaker on the question and addressed himself exclusively to the consideration of the Sutherland amendment. He contended that in the provision of the constitution giving congress supervision over the election of senators the power of control is only format.

magazines with extensive advertising sections are paying the government a region-able price for carrying the periodicals through the mails was discussed today in the senate committee on postoffices and
