PARSON TO DEFENSE OF JEWS

New York Representative Would Abrogate Treaty with Russia.

AMERICAN'S PASSPORTS REFUSED

Taft Will Hold Conference at White House Wednesday to Stacuss Question with Nagel and Jew-

Ish Lenders.

WASHINGTON, Feb. II .- Asserting that Russia has violated the treaty of 1832 with the United States by denying Jewish citizens of this country the privileges extended to other American travelers. Representative Parsons of New York introduced a resolution in the house today calling upon President Taft to declare the treaty vold.

Mr. Parsons' resolution declares that the fundamental principle of this government is that the rights of its citizens shall not he impaired at home or abroad because of religious belief. The government of Russia has violated the treaty of 1812, the resolution states, by subjecting American Jews to the same restrictions that are placed on Russian Jews. The president is asked to notify Russia of the termination of the treaty within one year,

The question will be discussed at the White House next Wednesday at a conference between President Taft. Secretary Nagel of the Department of Commerce and Labor, a representative of the State department and leaders of the three lead-ing Jewish organizations in this country.

Passports Not Honored.

It is because of Russia's refusal in certein cases to honov passports in the hands E. Trutter. of American Jews that this demand upon the government is being made by the Jews of the United States. President Tatt was presented several weeks ago with resolutions adopted January 19 by the council of the Union of American Hebrew converted and began his upward rise in the distinguished artist, and since it has been Congregations at a meeting in New York the Pacific Garden Mission, where Billy on public view the artist has received letin which it was urged that the president of the United States, the department of tive head of over fifty missions. tions and guarantees only as shall be consonant with the dignity of the American

As a result of these resolutions and other protests on the subject which have been made to him and to Secretary Nagel, President Taft agreed to a conference on the question. At the conference the Union of American Hebrew Congregations will be represented by J. W.
