ECONOMICAL WAY FOR FAT FOLKS TO REDUCE

Beience has succeeded in making the re-duction of fat the easiest and simplest thing imaginable. It has made it easy by rendering dieting and exercising entirely unnecessary and simplified it so that all one has to do is to visit the nearest druggist, who for a small sum, will fill the following transcription: It ownce Marmods is ownce prescription: 15 ounce Marmola, 15 ounce Fluid Extract Cascara Aromatic, and \$15 ounces Peppermint Water. Could anything be more simple or inexpensive?

Of this pleasant mixture one must take temspoonful after meals and at bedings and in a week or two he or she will be lesing from a half to a pound of fat a day in a manner we natural and uniform that no tinaightly wrinkles or potohes of altin are formed. In fact it seems to meit away has objectionable deposits of fat wherever ocated, on him abdomen etc., without affecting the other parts of the body that are not over-fat, so that it restores a proportion to the figure so perfect that it really must be especienced to be believed.

Uniliae other laternal remarkles for example.

Unlike other internal remedies for excapsive fat, which are mostly made up of biting action, this prescription has a betterficial
affect upon the atomach. It regulates the
boweis, and, strange to say improves the
appetite, which proves one thing that it
is not so much what you eaf as what beconnec of it that makes you fat. By taking
that the prescription one can cat in reason
what they please, secure in the knowledges
that the remedy will see that food is

Some indulge in Debutes and Some Prepare for Joint Sessions to Be Held Later In the

The open meeting of all the literary octeties of the Omaha High school will be given March 4. This is an annual event and every year about twenty accieties are represented. This year the meeting will e mere elaborate than in former years, as the various societies are more friendly toward, each other. It has generally been the custom to hold this meeting in two large study rooms and thus divide the societies. Various plays, musical numbers and orations given constitute the program and the best talent of each society of the school is represented.

The regular meetings of all the societies were held Friday at the close of school and a number of them gave programs suggentive of St. Valentine's day. The programs were mostly written out on red hearts and at the close of the programs in the girls' societies fudge was served.

For the mother in the home to be strong and well, able to devote her time and strength to the rearing of children, is one of life's greatest blessings. Often the bearing of children injures the mother's health, "if she has not prepared her system in advance for the important event. Women who use Mother's Priend are saved much of the discomfort and suffering

so common with expectant mothers. It is a penetrating oil that thoroughly lubricates every muscle, nerve and tenden involved at such times, and thus promotes physical comfort. It sids nature by expanding the skin and tissues and perfeetly prepares the system for the coming of baby. Mother's Friend assures a quick and natural recovery for every woman who uses it. It is for sale at drug stores. Write for free book for expectant mothers.
