Care of the Hair In Cold Weather

"It seems that their English-speaking sisters could profitably follow the methods of the French wenten in Canada for caring for the hair. It is unnecessary to expose one's self to catching cold by washing the head-which is considered a mistaken method at hest; for moisture fades the hair and makes it course and brittle.

"French woman dry shampeo the hair one with a haif pound of corn meal, either willte or zellow, and you will have a perfect shamped powder, delicately perfumed. Sprinkle a tablespoonful upon
