UNIVERSITY CLUB LAUNCHED

First Officers Selected at Meeting Held Tuesday Noon.
PETERS OF MICHIGAN PRESIDENT
Harry Byrne is Secretary and Ezra Millard Treasurer—Men from Many Universities Are Represented at the Meeting.

With the election of officers and committees, about forty university clubs formally launched the University club of Omaha at a meeting at the Commercial club Tuesday noon. The following men were elected as the first staff of officers: E. C. Peters, Michigan, president; John J. Webster, Michigan, Charles Kountze, Yale; John Battin, Cornell, and C. R. Smith, Harvard, vice-presidents; Harry Byrne, Secretary, and Ezra Miller, Treasurer. Stanley Rosewater, who, as chairman of the committee chosen by the Michigan University Alumni Association of the Missouri Valley, to promote the club, has been very active in the project, was mentioned by secretary, Mr. Rosewater declined the office on the ground that he had too much other business to permit of his taking up the duties.
About twenty universities will be represented in the charter membership. By action of the meeting it was arranged that university clubs shall have a representation of five members, so that all shall have an equal voice in the formation of the club.
About four preliminary meetings have been held, and the process of organization has been directed on the idea that it should be accomplished slowly, but in such a manner that each plan made shall be sure. Stanley Rosewater made a special trip to Kansas City before the first meeting, to investigate the methods of the University club of that city.

NEW INTERSECTION RULE

Commercial Club to Change Rule of the Road.
As a result of the recent street car accident at Twenty-fourth and Cumming streets it is possible that a rule will be made causing street cars to be stopped on the near side of a car line intersection, instead of on the far side. This proposal was made to the executive committee of the Commercial club by the committee on public service investigation, and the committee passed a resolution directing that the street railway company immediately be asked to put the new rule into practice.
The rule has no relation to the manner in which cars shall be stopped at any corners save where car lines or railway tracks have been constructed. It will not obviate the necessity of cars stopping also on the far side of an intersection for the convenience of the passengers alighting.

Backache, Rheumatism, Toothache
Result from disordered kidneys. Foley's Kidney Pills have helped others, they will help you. Mrs. J. H. Miller, Hyattsville, N. Y., says: "For a long time I suffered with kidney trouble and rheumatism. I had severe backaches and felt all played out. After taking two bottles of Foley's Kidney Pills my backache is gone and where I used to be awake with rheumatic pains I now sleep in comfort. Foley's Kidney Pills did wonderful things for me." Try these now, sold by all druggists.

Delegates to State Conservation Meet Appointed by Clerk

Douglas County's Representatives to Gathering in Lincoln Named—Noted Speakers.

Douglas county delegates to the Nebraska Conservation and State Development congress, which will open at Lincoln February 24, have been named by D. M. Haverly, county clerk. The purpose of the congress is to discuss the state's resources and proper development, to co-operate between rural districts, towns and cities and to encourage the development of home manufacture and trade.
Among those who will speak at this congress will be Gifford Pinchot, Henry Wallace, Mrs. Francis Phelps Morris, C. J. Blanchard, D. C. Brodie, William J. Bryan, C. E. Bessey and Governor Aldrich.
