WHEELING BABY A PLEASURE

PROGRESS in the manufacture of baby cabs during the past few years has been remarkable, and, from the old clumsy, high wheeled carts that fatigued one in pushing them, the makers have gone ahead as though they wore ten-league boots, combining comfort, utility, beauty and convenience in their product.

But for today progress has provided the most convenient, easy-running go-carts of any time. In Princess carts the perfection of baby cab making seemingly has been reached.

These go-carts are equipped with Loyd's patent automatic collapsible top, cushioned spring seats and heavy padded backs. The top, auto dash and cart fold complete in one action without removal from the floor.

Prices are \$2.50, \$5.00, \$7.00, \$10.00, \$12.00 and \$17.00. Remember! Good Furniture May Be Cheap, But "Cheap" Furniture Cannot Be Good.
