mended state and new that it has been amended to suit the democrate fairly well some of 1.429 ins gerrymandering features are beginning to be evident.

For instance, the He representatives are disposed among the various countles of the state as nearly as possible in the proportion of one to 22,000 inhabitants, but one democratic county with only a little more than £400 people is given a member and two republican muntime with several hundred inimization more pet only a share of one member. Shorman county, democratic with a population of 1.276 gets a member Nance county, however, which has 1255 menuie, 656 more, gets only a share of a final representative between that cosints and Platte, which is inclined to be demo cratic. Plane county has 15.000 people and that would under the proper ratio entitle i in one member and a final, it gets, however,one member, a float with Nance. which shufs Name out almost altogether and another float with Madison Madison gets one moniher besides the float.

In the sensional districting some similar and equally fingrant gerrymandering are to bet seen al district No. 1. Pawner country is put in with Gage. Pawnee heretofore has interfered with the democrats in its connection with Richardson and Nemain. so it is tacked onto Gage as that county is republican anyway, Then Ridlinghor and Nemaha, inclined to be democratic are given Johnson republicans to overstime and since the democrate of thus, the consties are stronger than the republicants in Johnson county the district on made afely demotratic.

Heretofore Burt county republicant inca
