Frank Morris as "Skeeters" Martin furnishes most of the comedy that is sandwiched between thrilling moments. Milton Bromley as Bruce Wilton was strong at all times.

There is considerable of the old-fashioned melodrama about the piece. There is the scheming villain, who accomplishes his awful purpose, but repents when he feels the eye of God upon him; there is the sister who leaves home in the night and howling wind, but running through it all is a strain of something, perhaps it is the church; perhaps only the sacraments, that is compellingly stirring.

The action seems real. The play is well invested. It will be liked when more pretentious pieces fall to attract, for Father Kelly is an ideal.

SAN ANTONIO, Tex., March 13 - A heavy rain early today turned the maneuver camp into a sea of mud, but with the churning of thousands of feet of sightseers, the hot sun dried it rapidly.
