Reciprocity Will Pass.

Democratic Ways and Means Com mittee, He Says, is Composed of Dyed in Wool Tariff for Revenue Only.

(From a Staff Correspondent.) LINCOLN, March 15,-(Special.)-Cor gressman John A. Maguire arrived in Lin

coln from Washington today The Canadian reciprocity measure was not thought by Mr. Maguies an issue to require much support in the house. He thinks that this measure will pass with a hard battle in the senate. The fight in the newspapers and on the floor of the house against the bill, based on the fart that, it did not give sufficient reductions, was not sympathized with by the Nebraska representative, who said that in his opinion the wise thing for the house to do is to pleted and will be occupied soon. This is representatives of both governments and Hord contributed half of the cost, \$5.000. then readjust our own tariffs in such further ways as it may seem fit.

Mr. Maguire said that the ways and means committee of the house is at present at work on the woolen schedule and will follow this up with an attack on the cotton schedules. The majority party in the next house has selected its members of this committee in caucus and it was thought best to allow the minority to do the same in order that both parties might be repre-

### ROOSEVELT SPEAKS OF MEXICO

Says United States Demands Only Order of Its Neighbors.

SPEECH IS MADE IN EL PASO Nation Would Like to Have Turmoil Along Its Border Cense and See Order Restored on Basis

of Justice.

EL PASO, Tex., March 15 - "All that the United States demands of Mexico is order, ustice and independence," declared Theodore Roosevelt this morning at a breakfast given in his honor by the Tollee club. The colonel's remarks were the only ut terance he has made on the Mexican situation and came as a complete surprise t the members of his party.

Colonel Roosevelt led up to his observa tions on the Mexican trouble by saying that the prosperity of his neighbors was a condition of the prosperity of any man. He declared that honest dealing between man and man was the only certain foundation of prosperity. The same thing was rue, he said, of the relations of communies to each other.

Pausing as though to select his words, he then said that he thought he spoke for all Americans when he said that all the United States demanded of Mexico was order, justice and independence

Continuing, he declared that this country wished to see all of its neighbors prosper, that his hearers who dwelt along the southern border knew from experience how the turmoil to the south had affected business. He said that this country only demanded of its neighbors that order should
