He explained that on the present army basis a division of troops when on complete army footing would spread over eleven or twelve miles when marching. To determine whether this was too unwieldy a body and whether it could be reduced in certain respects, the troops would be formed into complete divisions.

### AN EASY AND HARMLESS WAY TO DARKEN THE HAIR

Who does not know of the value of sage and sulphur for keeping the hair dark soft glossy and in good condition? As a matter of fact, sulphur is a natural element of hair, and a deficiency of it in the hair is held by many scalp specialists to be connected with loss of color and vitality of the hair. Unquestionably, there is no better remedy for hair and scalp troubles, especially premature grays ness, than sage and sulphur, if properly prepared. The Wyeth Chemical Company of New York put up an ideal remedy of this kind called Wyeth's Sage and Sulphur Hair Remedy and authorize druggists to sell it under guarantee that the money will be re-funded if it falls to do exactly as represented.

This preparation is offered to the public at fifty cents a bottle and is recommended and sold by Sherman & McConnell Drug Co., and Owl Drug Co.
