BOWLERS HAVING MERRY WAR

Difference of Opinion Exists as to Creating Meta Team with a Game.

Omaha's bowlers are having a merry war, one that for real action beats any Mexican shindy ever invented. One of the points of difference is shall the Meta be credited as having lost a game to the Reio, merely because the Meta organization did not "show up" for the contest, but later announced itself as ready to compete. Another small point causing much discussion is the one concerning the transferring of bowlers from one team to the other. Yousem wished to transfer from the Reio five to the J. S. Cross five, and to do this he must have the unanimous vote of all the captains, and this he cannot get because one man won't vote his way. Meanwhile the war goes on.

Fraternity Teams at State University Will Play Base Ball

Council Meets Tuesday and Adopts Schedule to Determine Championship of Greeks.

LINCOLN, Neb., March 22.—(Special)—Inter-fraternity and inter-class base ball has supplanted collegiate games since the athletic board refused to allow the Cornhuskers to meet other colleges as long as the rule against summer base ball remains on the records of the Missouri Valley conference.

The inter-fraternity council met Tuesday and adopted a schedule to determine the championship among the Greek letter organizations. The games are all scheduled earlier than usual and the deciding series will be played before the cadet encampment.

Inter-class organizations are also busy and there has been a large number of base ball men out each evening. The loss of outside games is being seriously felt at the university, however. Some of the members of the board are already heartily sick of the bargain to stay out of collegiate base ball. Nebraska has more base ball material this spring than in some years and the men are especially opposed to the action of the board. There is apparently no remedy for it, however, at least not this season.

Track work is occupying the attention of Coach Field and Captain Reed. The squad is not so large as was at first expected. A large number who promised to get out have failed to show up, but Field will have an abundance of material to work with and the process of elimination will start soon.

There is considerable speculation as to the team which will face the starter in the collegiate relay race at the big indoor meet. Captain Reed and Powers are almost certain of their places on the team. The other two places are doubtful. May is undoubtedly the fastest man on the shorter sprints, but whether he has the endurance to run the distance is a question for the coach.

The Nebraska athletes are desirous of equaling the showing made last spring when Nebraska won first place.

Girls Play Exciting Game of Basket Ball

High School Seniors and Picked Five in Fastest Game of the Season.

One of the fastest and most exciting games of the Omaha high school basket ball season was played by the senior girls and a picked team of ladies. The game was played in the school gymnasium, and for fifty minutes many difficult baskets were thrown. Also quite a number of fouls were called on the girls. Miss Dumont, director of the girl's gymnasium classes, refereed the game and prevented any rough playing, which several of the girls seemed tempted to do in their excitement.

However, the seniors redeemed the reputation which they had obtained in athletics and lost on account of the defeat of the Senior team last Saturday night. They played a good game, and defeated the picked team by a score of 10 to 1. Most of the girls who participated in the game are experienced players, and they exhibited their mastery of the game by their careful judgment.

The lineup of the two teams was as follows:

SENIORS. PICKED TEAM. Julia Quahy.....R. F. H. Mildred Heath. Queen Jackson.....L. F. L. F. Maurine Lehigh. Margaret Robinson.....C. C. Margaret Bradbury. Ethel Eller.....G. R. G. Ethel Fox. Gertrude Wetzel.....L. G. G. Martha Haden. Louise Peterson.....L. G. G. Helga Rasmussen.

First Spring Game Won by Shamrocks

Bellevue College Defeated in Opening Base Ball Set-to of the Season.

Bellevue college was defeated Wednesday in its first base ball game of the season by the South Omaha Shamrocks, 7 to 1. It was a seven-inning set-to and rather indifferent by reason of the cold weather. Wild base throwing was frequent. Until the last inning the score was tied. When a substitute dropped two long flies the Shamrocks annexed four runs. The lineup:

Bellevue. Shamrocks. Swift.....First.....Fowler. Yulek.....Second.....Quackenbush. Mayfield.....Short.....Altshuler. Kennedy.....Pitcher.....Stapp. South.....Pitcher.....Herman. Pagan.....Pitcher.....Quackenbush. MacMahon.....Catcher.....Stook. Kearns.....Left.....Fisher. Cobb.....Center.....O'Hman. Parns.....Right.....Henderson. Parns.....Right.....Masten.

Score by innings: Bellevue.....0 0 1 2 0 1 0 1. Shamrocks.....0 0 1 2 0 1 0 1.

Davenport, Ia., March 22.—Dan O'Leary, manager of the Davenport base ball club, has signed Outfielder T. F. Collins and Pitcher Charity Kearns, both of Springfield, O., and Catcher R. F. Coyle of Sterling, Ill.

MORE MONEY IS NEEDED FOR PAVING THE STREETS

City Council Finds Itself Short on Intersection Funds for the Coming Year.

Wednesday morning it developed that the city is going to be short a goodly amount when it comes to doing the intersection work for streets which have been ordered paved. So far contracts have been awarded for the paving of sixty-nine streets. The estimated cost of the intersection improvements is placed at \$7,255 by the city engineer's department. For intersection purposes, the city has available \$10,400. The estimated leave \$3,145 for intersection work for streets yet to be improved.

Ordinances providing for the paving and repaving of seventeen other streets have been passed, and other ordinances providing for further improvements are pending.
