GRAIN AND PRODUCE MARKET Weather Reactions Have Little Effect in Wheat Situation.

Weather reactions in the grain and produce market today had little effect in the wheat situation. The northwest had both rain and snow since the close of the markets Saturday.

There was nothing in sight to change the heaviness in the grain market today, but the firmness in Liverpool cables. The northwest had both rain and snow since the close of the markets Saturday.

There was nothing in sight to change the heaviness in the grain market today, but the firmness in Liverpool cables. The northwest had both rain and snow since the close of the markets Saturday.
