Women's Tailored Suits

Fresh and Spring-like

Our Ladies' Suit Section is so crowded with fresh and lovely things that it is hard to tell what to speak of first. Women who like the simple, perfectly cut suits will be interested in some tan and gray as well as navy blue French serges. The jackets are fitted just enough to look equally well whether one is plump or slender. The serge is very fine and light, the tailoring of the best, and altogether we doubt if better suits can be found for \$25.00. Other suits are here in a little brighter colors. Gay springtime shades, each is elaborately braided and have Persian or plain white and black striped vestings—these also are priced **\$25.00**

After all, why say more—a visit will more than be a pleasure for you, to see these pretty suits. Come in Wednesday.
