## MORRIS KNOCKS OUT SCHRECK

Oklahoma "White Hope" Wins in Sixth Round of Bout.

## RIGHT HOOK TO JAW ENDS IT

Former Engineer Completely Outclasses His Opponent—Rushes Him About Ring as Will from First Round.

SAPULPA, Okl., March 28.—Carl Morris, the Oklahoma "white hope," clinched a step nearer the championship here this afternoon by knocking out Mike Schreck of Cincinnati in the sixth round of a scheduled fifteen-round bout.

A hard right hook to Schreck's jaw, after the sixth round had gone one minute and two seconds, ended the battle. The Cincinnati man fell heavily to the canvas and was counted out by Referee Edward W. Cochran.

There was never a moment after the first round was a minute old that the result was in doubt. Morris completely outclassed his opponent. The ex-engineer rushed Schreck about the ring at will and landed almost as he pleased. He showed in this fight that he could battle with both hands. Heretofore his work with his left hand had been slow.

Schreck made a poor showing. He landed less than half a dozen clean blows on Morris. None of them carried force enough to cause the Oklahoma "hope" any great worry.

**Fight by Rounds.**  
Round 1—The fighters rushed at each other like panthers. Morris led off with a hard right swing for the head, but missed. They clinched. The referee broke them, and Morris drove a right and left swing to the head. Another clinch followed, and Morris coming out of it the engineer swung another right to the head and followed it with a right to the stomach and left to the head. Schreck swung wildly with his left and missed. Morris put a left and a right to the face.

Round 2—Morris led with a left to the head. Schreck missed a right to the head. Morris drove three rights to Schreck's stomach, the only effect being the flying Dutchman. Morris peppered Schreck's face with rights and lefts. The Cincinnati man being in distress, Morris drove two lefts to the head and then pounded Schreck's stomach with two more punches. They mixed, exchanging rights and lefts. They exchanged rights to heads. Morris sent a stiff right body punch home. Schreck put an apparent right to the chin. Morris landed a hard right to the head as the round ended.

Round 3—Morris was at his man quickly, sending home a left to the head and a right to the jaw. Schreck sent a right to the head and received a similar blow in return. Morris shot rights and lefts to the head and stomach, distressing his opponent greatly. Schreck drove a light right to the head and Morris put a left to the stomach. Morris floored Schreck with a left to the jaw. Morris was fighting his opponent wildly with his right and left, driving a right to the stomach and a left right to the head. Morris sent three rights and a left to the head. Schreck trying futilely to cover up, Morris put a right and a left to the wind. Schreck tapped Morris on the head with his right. Morris drove rights and lefts to Schreck's jaw. Schreck retaliated with a right to the jaw. Morris put Schreck down with a right to the head. Schreck quickly regained his feet, only to go down again from a body punch which landed on his knees when the round ended.

Round 4—Morris missed a left to the head. He then landed a right to the head and took a left to the head in exchange. Morris swung his right to the wind, and a moment later Schreck swung a right to the face. They clinched, and Morris pounded Schreck's kidneys. Coming out of the clinch, Morris put a left and a right to the head. Schreck sent a light left to the head. Morris drove a left and right to the head, knocking Schreck through the ropes. He was up in the count of three but only into three. Schreck came out of close quarters with a right to the head. Schreck's face was badly swollen, due to repeated right and left punches. Again, Morris punched Schreck's head with a left and a right. Schreck hooked a right to Morris' face, but the ex-engineer brushed it off with a smile. Schreck was in great pain when he went to his corner.

Round 5—They exchanged light left taps. Schreck swung a left to the face. Morris drove his right flat to the head and then to the stomach. Schreck came back with a right to the body. Morris jotted Schreck with a right to the jaw, and before Schreck had ceased staggering from the effect of the blow, pounded in a volley of rights and lefts to the head. Morris' nose was bleeding slightly from a glancing blow. Schreck sent to his opponent's nose. Schreck planted a stiff right to the jaw and Morris drove in a left and a right to the head. They clinched. Morris put Schreck through the ropes with a right to the jaw. The round ended with Morris beating his opponent with both hands assembly at will. The end was in sight.

Round 6—Schreck rushed Morris, landing right and left to the body. They clinched, and Morris again beat Schreck's kidneys. Schreck landed a right to the jaw as they came out of close quarters. Morris rubbed his opponent and began peppering in rights and lefts to the head and body as he pleased. After the round had gone one minute and two seconds, Morris hooked a hard right to Schreck's jaw and the Cincinnati man took the count.

## WATERLOO WINS THE FIGHT

National Commission Renders Decision in Three-I Case.

## QUINCY CLUB IS PROTECTED

Order Made for Dismissal of All Court Proceedings—New Schedule Must Be Drafted by Next Wednesday.

CINCINNATI, O., March 28.—The National commission today decided after deliberation that Waterloo, the club which recently joined the Three-I league, from throwing it out, is entitled to stay in. At the same time it is decided that Waterloo and Dubuque must dismiss the court proceeding recently brought, thus placing themselves on a footing of good fellowship with the other teams.

The Three-I league is ordered to prepare a schedule with Waterloo included, by April 5. If such a schedule is not completed by that time the National commission will take the liberty of making one. The southern clubs of the Three-I league, according to this decision must either play ball or become outlaws. Waterloo is thus victor in the struggle, which was one of the bitterest ever started among the minor leagues.

Text of the Decision. This case comes to the commission on appeal by President Kearney, representing the club which has appealed. A finding made in the case by the National Board. The commission has given the matter its most careful consideration and we have come to the following conclusion: First—The action of the Waterloo and Dubuque clubs in commencing court proceedings with reference to this controversy was entirely unwarranted. Both of these clubs had their address to the National commission, and the National commission has made an appeal to the National commission. We, therefore, hold that all court proceedings must be immediately dismissed.

Order to Prepare Schedule. Third—We direct that all of the club owners of this league assemble at the call of their president on or before April 5, to make a schedule for the playing season 1911 and that any club which may be necessary for the proper operation of the league during the season of 1911 and that on the failure of a majority of their clubs to agree on any proposition the same shall immediately be submitted to the National commission for its adjudication.

Try This Home-Made Cough Remedy. Costs Little, But Does the Work Quickly, or Money Refunded. Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 3 minutes. Add 2 ounces of Pinex (50¢ per ounce) in a pint bottle; then add the Sugar Syrup. Take a teaspoonful every three or four hours. You will find that this simple remedy takes hold of a cough more quickly than anything else you ever used. Usually ends a deep seated cough in less than 24 hours. Splendid, too, for whooping cough, chest pains, bronchitis and other "cough" troubles. It stimulates the appetite and is slightly laxative, which helps end a cough. This recipe makes more and better cough syrup than you could buy ready made for \$2.00. It keeps perfectly and tastes pleasantly. Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in calcium and all the natural pine elements which are so healing to the membranes. Other preparations will not work in this formula. This plan of making cough syrup with Pinex and Sugar Syrup (or strained honey) has proven so popular throughout the United States and Canada that it is often imitated. But the successful formula has never been equaled. A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
