Educational Notes.

The Emanon and Aspasian debating so circles gave a reception Friday evening in honoh of the York debating team. Light refreshments were served.

Dr. A. W. Clark spoke to the Buffalo County Sunday School association on Following the arrangement made recentl with Harvard, the University of Paris he secided to send a professor to Columbia oniversity, and designated Mons. Gustave Lanson, professor of French Herature, to give a course of lectures there during the first three months of the college year of

Columbia university authorities have under consideration a plan for a school for municipal administration, to train men for public office. The plan has the endorsement of city officials and prominent educators. Mrs. E. H. Harriman has shown deep interest and is expected to provide the fluancial backing.

The Journal of the American Medical association urges a higher standard of medical education as a remedy for the present excess of doctors and inferior medical college. "A diminution of both," says the Journal, "would scarcely be a matter for regret—indeed it would be beneficial."

The Journal hacking.

J. H. Ruben a merchant, has called the from Aleppo. He says:

"Yes, it is with deep regret that we inform you that the condition of the Arabs now is deplorable. Most of them have been now is deplorable. Most of them have been the victims of hitherto unbeard of calamater for regret—indeed it would be beneficial."

The gift of \$55,000 to Harvard university

A majority of the honors for high scholarship at Cornell university have been captured by the young women. There are only 70 young women enrolled in that institution, as against 4.30 roung men, yet the young women won fifteen of the twenty-even elections to the Phi Beta Kappa, a modely based solely on scholarship, and the young men won only twelve.

Very few escaped the awful calamity. Moreover, all their live stock perished, so that the owners, the shepherds, the horses and camels are all gone.

The losses are great. Even in the cities where people have facilities for heating their homes, many perished from such unprecedented severity of the weather in these paris.

Rules of the Contest

All persons are eligible to enter this contest except employee of the Omaha Bee and members of their families. Each day, for seventy-five days, there will be published in The Bee a picture which cill represent the name of a book. Beneath each picture there will be a blank for the contests at to fill in the title of the book.

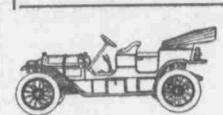

Cut out both the picture and blank and fill in the name and author of the book and add your name and address neatly and plainly in the space provided.

No restrictions will be placed on the way in which answers to the pictures may be secured. Each picture represents only one title of a book. If you are not sure of a title and wish to send in more than one answer to each picture, you may do so. BUT NOT MORE THAN FIVE ANSWERS WILL BE ACCEPTED TO ANY ONE PICTURE Incorrect answers. All answers will not be counted against contestants if correct answer is also given. More than one answer should have been together in scoding in the set.

While not absolutely necessary, it is desirable that the pictures should be sent together in scoding in the set.

While not absolutely necessary, it is desirable that the pictures should in each case be sent in with the answers ; in order that all answers be uniform. Additional pictures and coupons may be shalled at the office of The Bee by mail of in person.

When you have all seventy-five pictures, fasten them together and bring or mail them to The Omaha Ree, addressed to the Booklovers' Contest Editor. Prises will be warried to the contestants accining in the largest humber of correct and tring or mail the mile of two persons having the same number correct and using the same number of coupons, the person whose set of answers in most neatly prepared, in the opinion of the full judging committee, will receive the insent may be declared winner. In event of two persons having the same number correct and using the same number of coupons, the person whose set of answers in most neatly prepared, in the opinion of the full judging committee in an

First Prize Value \$2,000

A \$2,000 Apperson "Jack Rabbit" Touring car, Model Four-Thirty, with five-passenger ca-pacity. It is a great car in a great contest. It has many speed and road records, and today

ranks among the leading motor cars. For both service and speed this auto will make an excellent possession. It is a real joy-maker. It is fully equipped and is just like accompanying illustration. The famous Apperson warranty goes with this car. The prize may be inspected at the Apperson's Company's Garage, 1102 Farnam Street.

Second Prize Value \$750
