# AN EASY AND HARMLESS WAY TO DARKEN THE HAIR

Who does not know of the value of sage and sulphur for keeping the hair dark soft glossy and in good condition? As a matter of fact, sulphur is a patural element of hair, and a deficiency of it in the hair is held by many scalp specialists to be connected with loss of color and vitality of the hair. Unquestionably, there is no botter remedy for hair and scalp troubles, especially premature grayness, than sage and sulphur, if prop-eriy prepared. The Wyeth Chemical Company of New York put up an ideal remedy of this kind called Wyeth's Sage and Sulphur Hair Remedy and authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as

represented. This preparation is offered to the public at fifty cents a bottle and is recommended and sold by Sherman & McConnell Drug Co.,
