Children's Shoes-A Notable Showing

Here is a very special assortment of Children's Shoes-one of the most correctly stylish lots of up-to-date footwear ever shown in Omaha. Many of them are in footform shapes-and all of them merit your early inspection.

> Teach the growing child to take pride in keeping its feet well shod. It's a lesson well worth teaching-

one that may mean much in after years.

This special assortment includes patent, dull, tan and white buckskin leathers as well as white canvas and patent leathers with brown, white or red tops.

Sizes 5 to 8	\$2.00 and \$1.50
Sizes 81/2 to 101/2	\$2.50 and \$2.00
Sizes 11 to 2	

passed and is open to any city of the size to that effect will pass the house despite of South Omaha. the fact that it would destroy one of the greatest assets of the obscure congressman

Benator Tanner of South Omaha came in for a third veto on his senate file 91, which provided for the publication of all constitutional amendments in one paper of each focal party in every county. The governor declared this was playing politics and withheld his approval.

Printing Amendments.

In his veto message of S. F. 91, the gov-ACTOP BAYES "I said in my inaugural address that a

republican governor would not permit a democratic legislature to play politics, and referred to just such measures as S. F. Pi, which I am at this time vetoing. Two years ago, the author of this present S F. 91, introduced a measure, and it became the law of the state, that the authority of the secretary of state to name the local newspapers wherein constitutional amendments should be published, was taken from was authorized and directed to name the newspapers in which constitutional amendnents should be published.

There must have been some potent reason for making such a change, and if It was good to make the change, certainly nothing has happened since to make a further change desirable or necessary at this time. It certainly must have been thought at that time by the legislature of the state of Nebraaka that such a change was not only desirable, but necessary for the welchange these happy conditions which were ever virtue it might have.

of this patronage. It is my intention to backyard all summer.

insurrectos appeared, the soldlers disapand campaign purposes. Heretofors many pearing in the direction of Cananea, of the printed speeches have been filled with parenthetical remarks of "loud and prolonged applause," "laughter," etc. The a body variously estimated at 400 to 500. new rule would expose this vain, giorious custom and consequently Mr. Murdock found himself quite unpopular in some circles this afternoon JOYS 0F GARDEN MAKING ж.

DIAMONDS

No reliable store will try to take you believe that its stock f diamonds is composed entirely f pute stones. No store in the set carries an entire stock of beriect seams what every body de-mands a pure mione, and there-fore it is necessary to have in stock some gems that are slightly imperfect.

Hut a reliable store will tell But a reliable store will tell you whether the stones have flaws or whether there is some other imperfection. That is just the thing we do here. If there are any flaws, we will tell you. We make no attempt to deceive Every buyer is taken into our confidence and told the exact value of the precious stones. We ask prices that represent the wart values of the gems. We demand only a fair margin of profit. We want no more.

Ninety per cent of the purchase price will be refunded within one price will be refunded within one year of date of sale. All your wants in jewelry, rings, etc., will be supplied by us at the lowest possible prices.
