R. McCormick of Nebraska City, and their subsequent placing with the Eighteenth Infantry of the regular army. The men were recently detailed by the War department, upon recommendation of Adjutant General Phelps, to report at the maneuvers being conducted on the Texas border. Burnett Case in Court. Lafe Burnett, a local attorney, has filed in supreme court a motion for a rehearing in the error proceedings brought by him from the district court of Phelps county, where he has twice been convicted of adultery. The alleged paramour is Mrs. M. M. Wilson, wife of L. A. Wilson, sheriff of Gosper county and a resident of Elwood. Burnett has filed a brief in support of his motion in which he sets out the history of the case from his standpoint, and argues that the evidence upon which he was convicted at Holdrege was not sufficient. The story of the domestic life and troubles of the Wilsons involves the incarceration of the woman in insane hospitals for a number of years and her final discharge as sane. The local man asserts that the case was prosecuted and pushed for the purpose of forcing Mrs. Wilson and the defendant, her legal adviser, to compromise and settle three civil actions which the woman was fighting against her former husband in the hope of regaining possession of her estate.
