BATTING HONORS STAND EVEN

Wolverton Knocked Out of Box in Seventh and Replaced by Fox—Fentress Plays Consistent Game.

LINCOLN, April 13.—With a stiff north wind blowing, making the players dance to keep warm, Lincoln and Omaha gave a pretty exhibition of baseball here this afternoon, the teams winning by a score of 6 to 5.

Battling honors were about even, but Lincoln excelled in fielding. Wolverton, who had no trouble defeating the Chicago White Sox No. 2½ week ago, was knocked out of the box in the seventh inning. Fentress, for the visitors, went the full game and showed good speed and control. Score:

Tom Moore Club Secures Seats for Opening Game

City officials are also boosting for the Omaha team and will be on hand at Rourke park April 21. Chief among these is Thomas J. Flynn, street commissioner, who has reserved a section of sixteen seats for the Tom Moore club of which he is president.

Others of the fans are coming in fast with their orders for box seats and reserved sections in the big grandstand for the opener, and it will be some crowd that is out to see Omaha open with the Des Moines warriors, led by the new manager, Bill Dwyer.

NEW PISTOL FOR ARMY

GOVERNMENT ADOPTS COLT AUTOMATIC

After years of searching investigation and rigidly imposed tests, the War Department has settled the question of automatic pistol superiority by adopting as the army standard the calibre .45 Colt automatic pistol, model 1911, manufactured by the Colt's Patent Fire Arms Manufacturing Company of Hartford, Conn.

During these trials automatic pistols of the world's best makes have one by one proved unequal to the trying ordeal and exciting requirements of the ordeal until the Colt and one other prominent American make remained.

At the last test over 6000 consecutive shots were fired from the Colt for endurance and the arm remained in perfect condition, maintaining its record for perfect scores and outstriking its competitor in accuracy, rapidity of action and durability; it showed less shock from recoil, greater reliability and power, and as a consequence was the unanimous choice of the Ordnance Board. A detailed report in "Army and Navy Journal," New York, April 1, 1911.

Omaha Fans Getting Ready to Celebrate First Game of Year. Bugs Will Parade the City in Autos, Carriages and on Foot—All Will be There for Opener.

Led by two bands, playing stirring tunes, a monster parade of fans will leave "Pa" Rourke's base ball headquarters one week from today and start on a triumphal march through the city, ending up at the new Rourke park, where the fans are to assemble for the opening game. And if the reports from Des Moines are true, many bugs from that town will be here to help start the season.

The Omaha High school cadet regiment military band will be one of the musical boxes for the fans. The high school lads, dressed in full uniform, have a lineup of music for the occasion and will compete for the pleasure of the fans with a band of professionals of the city.

For places in the parade the fans are lining up fast and many of the big firms will be represented. The Omaha truck will be there. Tom Flynn's fans will be present, as will Tom McVittie's; Charley Johnson will have his crowd along, and the Ak-Sar-Ben king, Everett Buckingham, will not be lost. The Omaha Ad club will have a live bunch out to testify that the ad men are bugs, and many of the automobile dealers have promised that at least one of their machines will be ready to take a place.

H. E. Fredrickson will have the honor of carrying the ball players out in some of the cars of his garage. Rourke is undecided as to who is to pitch the ball that opens the year here.

HRONEK IS CAPTAIN OF CREIGHTON BASE BALL TEAM

Fast Little Foot Ball Player to Lead on the Diamond This Spring.

Walter Hronek, outfielder of the Creighton university, has been elected as captain of the varsity team of 1911. Hronek is the best all-round player on the squad and a good batter. One of his strong points is behind the bat as backstop, but he will probably play the outfield this year, as the lineup of catchers holds so many other promising candidates and the outfield applicants are few and far between.

Hronek is the speedy halfback who so upheld the honor of "Omaha's Pride" last fall on the gridiron. He is one of those natural athletes found in every school and will make a live captain for the Creighton squad.

Coach Kyle is working hard with the Creighton material, whipping a team into shape for the coming season.

BASE BALL IN SOUTH DAKOTA

HURON, S. D., April 13.—(Special.)—At a meeting here of representatives of base ball teams of Mitchell, Redfield, Watervort, Aberdeen, Huron and Faulkton, the work of completing a league for the present season was accomplished. The teams constituting the league are from the cities named and all are counted as more than passing strength and fitness. The formation of the league has been under advisement for several weeks, and its final accomplishment will be gratifying to the lovers of the game in this part of the northwest.

Rules that governed last season were in many respects changed to meet the requirements of some of the more exacting players; no limit to salary was made. An executive committee will prepare a schedule of games as early as possible, forecasts already being posted to insure the carrying out of the schedule.
