GEORGE ACTS ON WARRANTS

State Treasurer Signs Many to Pay Deficiencies. GENERAL FUND SOON TO GIVE OUT Bill Marking Oregon Trail in Effect and Board Meets and Sets Machine in Motion to Carry Out Plans.

(From a Staff Correspondent.) LINCOLN, April 15.—(Special.)—Following the passage of general claims and deficiencies appropriation bills by the last session of the legislature, which totaled over \$10,000, as against \$5,000 of the previous session, State Treasurer W. A. George is busy signing warrants to make good the promise of the lawmakers. Mean while the general fund of the state has been decreased from \$22,652.94 to \$12,126.21.

"This is due," said State Treasurer George yesterday, "because of the so-called many and varied extravagances of the recent session of the legislature. We certainly have been signing warrants right and left here for the last few days, and there are hundreds still left for us to work on," continued Mr. George. "By next week we will have shot to pieces the general fund and may have to issue registered warrants."

Marking Oregon Trail. Robert Harvey, Mrs. Orford Ward and C. E. Paine, who were named as commissioners of the Oregon trail fund appropriated by the recent session of the legislature, have held their first meeting in this city. Announcement has been made that they will push the work along as fast as possible and that the raising of additional funds will be undertaken at once. Counties through whose boundaries the old trail ran will be asked to set aside funds for the furtherance of the cause and the military and historical organizations will also be called upon to contribute toward the preservation of the famous overland route.

Parole for Dr. Johnson. After serving less than three months of a two-year term in the penitentiary for performing a criminal operation upon Amanda Mueller of this city, which resulted in the death of the girl, Dr. W. H. Johnson of this city was yesterday paroled by Governor Aldrich.

Announcement of that fact was not made until this morning, though the physician was given his freedom late yesterday afternoon. Governor Aldrich, who left early this morning for a hunting and fishing trip of two weeks, left an explanation of the parole, which was given out after his departure. The governor declared that the aged doctor had been seriously ill for the past few weeks, according to the testimony of other local physicians, and that the only human thing that he could do would be to give the man his freedom until he recovered from the effects of his illness.

Werner Gerhard Shot. Werner Gerhard, the 15-year-old son of Dr. Herman Gerhard, formerly editor of the Fred Press of this city and one of the best known German newspaper men of the country, was seriously wounded yesterday at his home when a revolver in the hands of Fred Nagle, a relative, was accidentally discharged close to the lad's abdomen. The walls of the stomach and intestines were penetrated by the bullet and it is not probable that he will recover. Nagle is only a recent arrival in this country, and since coming here has made his home with the Gerhard family. the board of public lands and buildings not to locate the new \$100,000 agricultural school in any of the southwestern Nebraska towns where saloons are permitted. The Women's Christian Temperance union organizations from Holbrook, Gibbon, Louisa, Cambridge, Wilsonville, Broken Bow and Stratton have sent long communications to the board urging them to leave wet towns out of their consideration when casting about for the town which is to land the school. It is said that the petitions remained at Mead and Alma, which are contestants for the new institution. Holdrege and Cambridge, two other cities are after the school, are both dry.

The board will take a trip into that section of the state during May, when they will inspect all of the opportunities offered by the places now in the race for the school.

CHICAGO, April 15.—(Special Telegram.)—Two women heroines chased and helped capture three robbers in two instances today, one of the women, Mrs. Albert A. The second woman heroine of the automobile hand hunters was Miss Isabella Matteson. By her bravery she saved Attorney Charles W. Soelke from losing \$50,000 worth of oriental rugs and jewelry from his home. The burglar is now locked up at the Austin station.

Mr. S. P. Cusack, the well-known big league umpire, tells of how he was benefited.

3216 Lowe Ave., Chicago, Ill.

I was just thinking today of how long I have been a user of your valuable pure malt whiskey. The first time it came to my notice was about fifteen years ago. While I was training in the spring I contracted a severe cold and Duffy's Pure Malt Whiskey was prescribed for me, my doctor telling me that it would not only cure my cold but act as a tonic-stimulant and be beneficial to me in my athletic work.

It did me so much good and kept me in such fine trim that I have never been without it in the house since that time. It keeps a person full of steam, energy and vitality.

I absolutely know that a person can do more hard work and strenuous training and be in better condition physically if he uses Duffy's Pure Malt Whiskey as prescribed. I always recommend it when any one in our league is not feeling quite up to the mark. Yours truly,

S. P. Cusack

The Rug that Gives "Tone" to a House

There are many ways by which you "size up" a man or woman. Some of those ways have to do with clothes. There are many ways by which you "size up" a home. All of those ways have to do with its surroundings, its architecture, its furniture, and, as important as anything else, its rugs. A beautiful Oriental rug gives you a favorable impression the moment you step into a house. It is a foretelling tribute to the fact that the people who reside there have good taste and an appreciation of the artistic. Good Oriental rugs are positively essential to the equipment of a handsomely appointed room. Nothing else is so proper as a floor covering, nothing else so satisfying, so durable. As the only Oriental rug importers in Omaha; as the largest western dealers in these superb fabrics, we believe we can speak with authority on this subject, besides exhibiting the costliest and most complete collection of Oriental rugs in this part of the country. Your inspection of this splendid display is requested.
