

So Says the General Secretary of the Prison Congress. OR HE MAY SEND WICKERSHAM

Either President Taft or Attorney General Wickersham will be in Omaha in October to attend the Young Men's Christian association. This assurance was given today by Joseph P. Byers, general secretary of the organization, of Newark, N. J., who is here to confer with the local committee regarding the coming convention.

Mr. Byers gave the committee a general idea of the scope of the work undertaken by the national organization, and explained to them what they must do to make the coming convention a success.

The conference luncheon was presided over by Dr. W. M. Davidson, who outlined the purpose of the prison association, and read an interesting letter from Bishop Beecher, who found it inconvenient to attend.

He spoke of the county jail as conducted in Nebraska, and especially in Douglas county, as being a disgraceful institution, made so by reason of the fact that juveniles and young men are all thrown together with the hardened criminal.

Major Dahman, Victor Rosewater, Mrs. Florence Kelly and others responded with short talks, all of which indicated that a great deal of interest is being taken in the coming convention.

There were not more than 1,000 or 1,500 people here during the distributing hour yesterday, said Assistant Postmaster Woodward, and we nearly always have at least twice that many.

"I am all right now, thanks to Dr. Miles' Heart Remedy." The same relief is ready for you. Are you sure you do not need it? If Dr. Miles' Heart Remedy helped Charles Holmes, why won't it help you?

"I was troubled with heart disease, and after reading about Dr. Miles' Heart Remedy, I got a bottle. Before I got the Heart Remedy I had to sit up most of the night, and felt very bad at my stomach. Whatever I would eat made me feel worse, and my heart beat very fast. But thanks to Dr. Miles' Heart Remedy, I am all right now. I eat good, sleep good, and feel like a new man, although I am almost 68 years old.

Dr. Miles' Heart Remedy is kept in thousands of homes as a friend always to be relied upon in time of need.

COSGROVE REFUSES SCALPERS Turns Down Salary Assignments When They Are Brought In.

MOVE MEETS WITH APPROVAL Comptroller Says Employees Have Told Him They Will Be Glad of Opportunity to Cash Their Own Warrants.

FIVE HUNDRED MILES OF CARPET FOR THE COAST Train of Sixty Cars Will Carry Million Dollars Worth of Floor Covering West.

Money lenders who attempted to get Comptroller Cosgrove to handle warrant assignments Monday morning were refused and told to file their assignments with the city clerk. One money lender appeared at the office with a big bunch of assignments which had been accumulated during the last week.

Though advised to file them with the city clerk if he thought he had any legal rights, the money lender did not present them to the clerk's department.

"Our refusal to handle assignments has met with general approval," said the comptroller. "Many employees who have been assigned their wages have come to me and thanked me for my stand. One man told me he had not seen his warrant for more than a year and that now he would get a chance to cash his own warrant."

"You have no idea how the practice of assignments has grown. As an instance, last week there were 280 laborers on the city's payroll. Of this number 177 assigned their entire wages, paying from 5 to 10 per cent for the privilege."
