in Every Position. NEW YORK, April 12.-Directors of the Missouri Pacific rathroad are considering today the availability of candidates to succeed Paul Warburg and Cornellus Vanderbilt, who resigned as directors yesterday immediately after George J. Gould and his friends on the Missouri Pacific directorate elected B. F. Bush as head of the system. The directors, now that Kuhn, Loeb & Underwood Reports on Measure for Co. no longer are the Missouri Pacific bankers, will also consider new financial arrangements for the property. While the representatives of John D. Rockefeller on the directorate, F. T. Gates and Edgar L. Marston, opposed the selection of Mr. Bush, it was said today they will not resign be-

WASHINGTON, April 18- Developments oday indicated to President Tuft that

peace in Mexico may not be a dream and there is reason to believe the Mexican authorities will adopt a "definite, restrictive policy along the border" to prevent con flicts.

Senor Manuel de Zamacona, the new Mexican ambassador, was presented to the president and declarations of friendship were exchanged today. Information was given out at the White House that the rough draft of Mexico's formal note in replay to the State department's demand that American border towns he not endangered by Mexican battles has been placed in the hands of Ambassador Wilson at Mexico City, Mr. Wilson reported that the note is drafted was satisfactory, and it is ex. pected to reach the State department in final form soon.

A subcommittee of the house committee on foreign affairs will meet the president and Secretary Knox at the White House tomorrow to confer on the Mexican sitnation.
