CITIZENS WOULD BUY PLANT

Valuation Fixed by Court Seems

Satisfactory to Many. COUNCILMEN APPEAR FAVORABLE

If No Objections Are Raised and Council Accepts, Will Be Possible to Take Water System in Month.

There were many expressions of opinion esterlay concerning the \$500,000 valuation placed upon the city's water plant by the court of condemnation. While there was general note of disappointment on acount of the high price fixed, there was a emarkable unanimity of opinion that the ime for action has arrived and that nothing would be gained by any attempt to secure a reduction of the price to be paid

for the plant. Several city officials and a number of attorneys made estimates of the probable Aurora office goes to Herbert Duniap, forost of litigation that would follow an appeal from the decision of the condemnation

The estimates ranged all the way from few thousand dollars to \$30,000, with the additional loss and damage to the city by the years of delay that would be certain to fellow.

Opinions were asked from scores of usiness and professional men and heavy taxpayers, and not one failed to express the conviction that the proper course to pursue now is to accept the findings of the court and take over the plant at the earliest practical moment. There was also an entire absence of criticism of the court. The high character of the judges and the conscientious work they have bestowed upon their task were freely acknowledged. It was also noted that there was no adverse opinion among the members of the court. Their verdict was unanimous and the result of conclusions carefully reached. Report to Council.

The findings of the court will be offi- a week. cially reported to the city council at the meeting on Monday evening. At first it was believed that there would be considerable opposition, possibly enough to prevent the acceptance of the award, but a majority of the members yesterday expressed the opinion that nothing could be gained by delay and the matter should be settled at once. A canvass of the council yesterday afternoon showed six of the eight members in favor of immediate action, with one of the minority unde-

If, at the meeting on Monday evening, he council accepts the valuation the plant become the property of the city within thirty days. No official action is required except the instructions to nogotiate the sale of the \$600,000 worth of water bonds. The resolution providing for the issuance of these bonds was passed by the council two years ago, and all that is necessary now is to advertise for bids for the purchase of the bonds. No difficulty is anticipated in disposing of the bonds at a premium. They will draw 4 per cent interest and will run twenty years. Before the present litigation commenced the city had about \$40,000 in its water works BOYS DO GYMNASTIC STUNTS

sinking fund. The cost of the condemnation will be about \$19,000, so the city will have, approximately. \$139,000 available at once to enlarge the plant. This will be insufficient to carry out the plans outlined by Mr. Williams for the installation of a hill service system that will cover all of the hill districts and provide for the laying of the Council Bluffs Young Men's in the South Main street district, but will be ample to depose of speech. Board of Food and Drug Inspection Holds Aerial Coloring is Adulteration.

WASHINGTON, April II-in a decision filed today, the Board of Food and Drug Inspection, headed by H. W. Wiley, held that green citrus fruits which have been artificially colored by holding in a warm. moist atmosphere for a short period of time, are under the operation of the food and drug act of June 30, 1906.

The section of the act applicable holds that an article of food is adulterated, "if stained in a manner whereby damage or inferiority is covered." The board states that green lemons artificially colored do not change in sugar or acid contents after removal from the tree and that the same oranges, if left on the tree, increase markedly in sugar and decrease in acid.

### Revolver Battle Occurs on Street in Midst of Crowd

named, which embrace paving districts 71 this service. Evening prayer and address Policeman Brinkman Shot in Arm-Pals of Man Ordered to Stop

were sent panic-stricken from the thor-

Brinkman was only slightly injured, the bullet lodging in the biceps. He was The three pickpockets escaped, two running west through an alley on Sixteenth street between Webster and California

streets and the third running through Jefferson square. F. E. O'Donnell, 1718 Nicholas street, was walking past California street on Seventeenth street, when a stray bullet passed through his coat.

The battle started when Brinkman, accompanied by George Hyte, bartender of a saloon at 516 North Sixteenth street, walking south on Sixteenth street, recognized a man walking in front of him as a pickpocket, who has been wanted by robberies.
