Let a Bee Want Ad Do It

When you lose your pocket-book you make a frantic rush to put a Lost Ad in the paper.

Why not use the same good judgment when you lose a roomer? Your Lost Ad only has significance for one person—while the room for rent ad will appeal to thousands, if properly worded.

Telephone Tyler 1000 and let our want ad taker write your ad for you in such a way as to find a tenant for your room.
