Better Humor. BY EMIL ANDRASSY VIENNA, April 29 .- (Special to The Bee.) -The very friendly spirit of the emperor of Germany toward Emperor Francis Josoph of Austria-Hungary is shown by the exchange of courtesies between the two

monarchs. The Zeit publishes the text of a warmly worded wireless telegram of thanks from the German emperor to the Emperor Francis Joseph for the greeting of the Hohenzollern by the Austro-Hungarian reserve squadron "under the com mand of Francis." After the expression of thanks the telegram adds: "The ships and crews looked splendid

and maneuvered precisely and excellently, I shall keep in grateful memory the most kind attention once again paid to me. The empress, also thrilled by the same memorable moment, joins me in heartlest greetings.'

The police raided the residence of Anada Roy, a wealthy land owner, who is the son of a well-known pleader, the late Mohim Roy. In the house the police found guns, revolvers, a quantity of dynamite and picriacid, and a complete plant for the manufacture of spurious currency notes. Roy and four other men were arrested. Roy is highly educated, being a Master of Arts, and he also passed first in chemistry at Calcutta University.
