DES MOINES, April 29.-(Special Telegram.)-Today's game was a repatition of yesterday's swatfest for Omaha, with the exception that Schneiberg, the ex-major leaguer, was the victim of Rourke's sluggers. Rhodes pitched a stellar game, fanning six, holding Des Meines to four hits and making to singles in the meantime, King repeated his offense of making the only error for the visitors when he let Mattick's slow grounder go through in the first.

Omaha started things right off the reel Pickering walked, Schoonover flew out. advancing Pickering, who scored on King's two-hagger. The latter reached home on Kane's single to right. The visitors were blanked until the fifth. King, Kane and Schipke singled, the former scoring. Kane PATTERSON WINS FIFTH GAME stole home on Dwyer's error. Schipke stole second and came in on Ward's single. Passes to Rhodes and Anderson filled the Indianapolis Held to Five Hits by bases ,but Schnelberg pulled himself out. King's walk, Kane's single and a beautiful double steal enabled Kane to score the last one in the sixth

Mattick's two-bagger and sacrifice hits were responsible for Des Moines' only score in the ninth. The score

in Spring.

AMES. Ia., April 22-(Special Telegram.) -In the dual meet this evening Nebraska defeated Ames by the overwhelming score of \$1 to 32.

The Nebraska man starred at every stage of the game and in the half-mile, the 230 yard dash, the discus, the quarter-mile, pole vault and balf-mile relay came peril ously near the Missouri valley records.

Considering that the track was extremely heavy, this places Nebraska in the running for Missouri valley records this spring.

Reed in the dashes. Collins in weights and Anderson in the half and mile, each garnered ten points.

The hurdles were slow, Russell winning in the highs, beating Walker in the last few yards, and McElyea winning the lows in spite of losing his stride frequently.

Collins won an easy first in the shotput but in the discus was closely pushed by Vincent, who threw the discus farther than is his custom.

Reed, in spite of the wet track, tore off the 230 in almost record time. Christmas beating Keeney for second in the last few yards. Keeney is suffering from a displaced muscle in his thigh and was not in form.

Clutter was out of the race with the mumps, likewise Hyzer could not enter the pole vault nor low hurdles on account of the mumps.

In the mile run it looked like Dyer until the scrattch was reached, and then Anderson passed him up, Captain Cockerel taking second.

In the two-mile run Scott led from the start and finished thirty yards to the good. Bates was close until the 200-yards,

Bristol failed to reach his mark of twenty-one feet five inches in the broad jump and allowed Lindstrum to take first. The half-mile relay was close until the third lap, when Powers broke away for a long lead.

The mile relay was a walkaway for Me brasks. Watson putting in substitutes in place of Crawford and Brown.

MacCormick ran a good race fifty yards behind Reed and held his own.
