ASSESSORS IN EVEN YEARS

Attorney General Martin Rules on Validity of Bills.

TWO ACTS ON SAME SUBJECT

Broken Bow Boosters at Lincoln to Secure New Agricultural School.

If Possible—Roads Object to Sand Rate.

(From a Staff Correspondent.)

LINCOLN, April 29.—(Special Telegram.)—Following the finding of the conflicting provisions of two measures relating to the election of precinct assessors Attorney General Martin this morning handed down an opinion wherein he states that H. R. 154, providing for the election of these officers in 1912 and every two years thereafter, shall be effective, and that H. R. 158, naming 1909 and odd years instead, should be invalid.

The act sanctioned by Attorney General Martin was the last of the two to be passed by the legislature, but is in harmony with the proposed constitutional amendment providing for biennial elections.

Broken Bow Wants School.

A delegation of Broken Bow citizens headed by ex-State Land Commissioner A. R. Humphrey, ex-State Senator F. M. Curtis and L. H. Jewett, visited the city today for the purpose of laying before the board of Public Lands and Buildings their claims for the location of the new southwestern Nebraska agricultural school at that place.

The visitors asserted that their city centrally located could be reached from all parts of the state and that the consequence have the effect, if the school was located there, of putting an end to appeals from other parts of the state for the establishment of other similar schools.

In urging the consideration of the board the committee offered the state 16 acres of land on which to locate the school.

The entrance of the Custer county town into the fight is somewhat of a surprise as it was thought that this town had no ambitions in that line.

Which defines the limits where the school must be located, not only a thirty-year-old town on the town and city territory through the south part of Broken Bow on the north.

Sand Hearing Resumed.

The hearing on the application of the railroad to increase the sand rate from different producing points in the state to Lincoln, Omaha and South Omaha, was resumed today after occupying most of the time yesterday before the State Railway commission.

The common carriers attempted to prove that the present rate of 1/2 cent per 100 pounds is not remunerative, while the Commercial club of Omaha and Lincoln asserted that the rate of 1/2 cent was exorbitant.

A representative of Hugh Murray, the paving contractor of Omaha, declared that the rate would mean an additional cost to him of \$5,000 per year more than he would have to pay under the present rate, and present year bids taken by him for all the paving work to be done in Omaha and Lincoln for which he has signed contracts were based on the present rate.

Wolf Bounty Warrants.

The clean-up of warrants issued in conformity with the allowance of the \$3,000 wolf bounty claims occurred today when auditor's force. The total number of claims paid under the old law, which is now exact, is 4,474, all of which have now been paid in full.

Scalpers of those who had slain the beasts bought up hundreds of the claims, it is said, when it became evident that the legislature was going to allow the wolf claims and made considerable money on the investments, it is asserted.

Fliege Appeals Case.

William Fliege, sentenced to life imprisonment for the killing of his sister, Orlene, at Ponca, today appealed to the supreme court for a rehearing in the case. The alleged crime was one of the most revolting which has ever occurred in northeastern Nebraska and at the time of the trial last fall created more than ordinary interest over the state.

According to the evidence, Fliege, after killing his sister, left the body in the yard, where it was found terribly mutilated.

INVENTOR OF ROAD DRAG TALKS TO COZAD MEN

Commercial Club Day Celebrated in Elaborate Fashion in Dawson County Town.

COZAD, Neb., April 29.—(Special Telegram.)—Commercial club day was celebrated here yesterday. At noon a business men's lunch was given at the Cozad hotel and in the afternoon a good roads meeting was held in the opera house, D. Ward King, the inventor of the road drag, being the speaker.

This was well attended and a number of pledges were made by those present to make roads and begin on their own roads without cost to the county.

The lecture by Mr. King was entitled "Good Road Roads Without Money." In the evening a reception was given to the visiting delegates and the speakers of the evening. Following this the annual banquet of the Commercial club was spread in Odd Fellows' hall.

Two hundred sat down to an elegant menu, a delegation of about fifty being here from Lexington and others from Kearney, Overton and Gottenburg.

Dr. J. H. Sayer, the president of the club acted as toastmaster and the chief address of the evening was given by Mr. King, his subject being "Good Roads Psychology."

Other speakers were: W. Whittaker, assistant general solicitor of the Union Pacific Railroad company; Dr. A. O. Thomas, president of the State Normal school at Kearney; and Attorney George C. Gillan of Lexington.

Other toasts were responded to by Mayor J. H. Darner, Judge T. A. Taylor, Rev. M. C. Aldridge and Charles E. Allen. So much interest was shown that it is now proposed to form a Dawson county good roads association.

Before the banquet a committee of business men met with Mr. Whittaker and took up with him a number of problems regarding the railroad situation and were well satisfied with the results of the conference.

The club is now planning a big reception for the Commercial club of Omaha on May 23.
