Telephone Talks No. 1 YOUR RESPONSIBILITY

Probably you have never realized that you are a vital factor in a great telephone systema silent but essential partner in the Company that supplies you with the instrument through which you daily transmit your voice.

We have no desire to dodge our responsibility for giving good service, but in a series of articles in this paper we shall try to show you why we hold you under equal obligation for your telephone efficiency.

Take note of this-No community ever enjoys really first-class telephone service unless the Company has the intelligent and hearty co-operation of its subscribers.

The object of this and several succeeding "Talks" is not to get more subscribers, but to entreat each of you to be a more loyal partner in giving Omaha better telephone service.

Nebraska Telephone Co.
