

Nebraska PIPKIN PUSHING HIS CHARGES Asks for Action on His Allegations Against Baxter. PUT UP TO ADAMS COUNTY State Official Says Matter is Within Jurisdiction of Authorities in Locality Involved—Details in Beatrice Shortage.

(From a Staff Correspondent.) LINCOLN, May 3.—(Special.)—Charges filed before the Board of Public Lands and Buildings by C. W. Pipkin of Omaha as to the alleged conduct of M. W. Baxter, head of that institution under former Governor Schallenberger, have been turned over to the state officials, including Governor Aldrich, asserting that they have no jurisdiction in the matter and see no way of getting at the alleged evils except through the Adams county officials. The Omaha man, who was a former employe of the institution, has not given up in his efforts to get action in the matter. Land Commissioner Cowles yesterday received another communication urging the board to take up the matter.

Details of Beatrice Case. In his report on the investigation conducted at the Beatrice school for feeble-minded youth as to the conduct of affairs at that institution under the head of Dr. G. L. Roe, State Accountant Tulleys, who made the formal submission today to State Auditor Barton, says: "All of the accounts for which appropriations were made check with the appropriation record on the part of the school with the exception of two small errors which aggregate only \$1." On the ledger accounts Tulleys declares that there are many errors, twenty-nine of which vary from 1 cent to \$10, under Bookkeeper T. B. Stewart, who was in the office at the time of the Roe administration of the school.

According to Tulleys' report there were nearly one hundred failures to carry over balances from the 1909 ledger, or from the 1910 books to those of 1911. These alleged errors aggregate over \$200, part of which, as in the former case, cancel each other, some being credits and some debits. In the cash book there are reported eight errors in receipts, which make a difference in the balance of \$58.87. The cash book disbursements show larger errors, according to Accountant Tulleys. The accountant's report also states that the amount of bank funds certified to Dr. Themas, when he began his superintendency in January of 1911, was \$70 less than the actual amount in the banks, and that the certification was further faulty in that no statement was made of \$223.48 in outstanding checks.

The total shortage, from the various errors, some of which balance each other, is found to be \$1,384.47. After discussing the shortage, Accountant Tulleys reports on the surplus of the cash book over ledger balances. During the past two years this surplus has amounted to \$1,623.00.

Seeking Fruit Conditions. Secretary C. G. Marshall of the state Horticultural society has sent out letters to about thirty of the leading fruit growers of the state, looking in various sections, seeking to find out, if possible, fruit conditions in Nebraska. Each of the recipients of the letters is asked a series of questions which are intended to bring out points and information in regard to the effects of the last cold wave on fruit and as to the methods taken to save the fruit trees from the ravages of the cold snap.

Russians to Beet Fields. Twelve carloads of Russians, men, women and children, left over the Burlington ship's morning for the beet fields of the west. The crowd of laborers is bound for Billings, Mont., and Bancoester, Wyo. The train will go directly to Billings where some will stop, while others will go to Huntley and Bancoester. In former years the Russian laborers usually started earlier in the year, but this year all remained in order to get a gate in the municipal election.

Secretary A. J. Morris of the City Board of Education boarded the train with the plumes this morning in order to make the school census on the way. The school census is taken annually in June under the direction of the secretary of the Board of Education. As the Russians leave before this time and take the children with them the secretary has found it necessary to make the trip at least part of the way with them to take the census. He expects to have to go as far as central Nebraska before he completes the census on the twelve cars.

GIVE UP CHASE FOR ROBBERS Detectives Have Only Bar of Soap as Clue to Rosemont Safe Croakers.

HASTINGS, Neb., May 3.—(Special.)—Detectives from Lincoln with their bloodhounds today abandoned the search for the Rosemont bank robbers. The only clue they found was a bar of soap which the robbers used to wash their hands around the safe door when they poured in the nitro glycerine. It contains finger-nail prints, presumably those of one of the robbers. Three suspects were arrested at Cowles, but as their fingers did not fit the marks they were liberated.

Blair Fruit Crop Undamaged. BLAIR, Neb., May 3.—(Special.)—Koopman & McCormack of the Mount Hope fruit farm have abandoned the search for the cause of the damage done to the fruit crop by the late freeze and report the damage to apples very small, if any, cherries slightly damaged, and small fruit, berries, currants, etc., very little, although Mr. McCormack, one of the oldest fruit men in the county, says that a day or two of hot sun may develop an injury to some of the crop. He also expressed his surprise at the small amount of damage from the severe freeze. The thermometer at 5 o'clock stood at 23 degrees, with the wind shifting to the west and southwest.

Anslie Says Dam Site. ANSLIE, Neb., May 3.—(Special.)—The dam site owned by C. J. Stevens, on which the village of Anslie expects to erect a concrete dam to operate an electric plant owned by the city of Anslie, was bought from C. J. Stevens at the meeting of the village board last evening. The consideration was \$1,000 and the back taxes against the dam site due the village. Work will begin as soon as bids can be had for the construction of dam and electric plant.

Inmate Man Chokes to Death. HASTINGS, Neb., May 3.—(Special Telegram.)—Henry Johnson, aged 61, patient at Inglede hospital, choked to death on a piece of meat at his noonday meal yesterday. An inquest was held this morning and a verdict was rendered finding that death was accidental. Mr. Johnson was afflicted with epileptic dementia. He was committed from Jefferson county two years ago.
