800 acres with or without 220 acres adjoining of the best grass land in the state. It was acres and solve the state of this land will produce 40 to 50 bushels of corn to the acre and corresponding yields of other grains. The soil is a rich, sandy loam and very productive. Every acre of this land will produce red or white clover, bluegrass, timothy or alfalfa. Every acre will produce as much grass as any \$125-acre land in the state. It is all covered with a heavy growth of bluestem at the present time. This tract contains a lake of 15 acres, which is fed by springs and furnishes an abundance of springs and furnishes an abundance of pure water the year round. Don't live on a small farm of high priced land when you have the opportunity of securing a tract of this kind where you cannot only make so much more money in the dairying and stock feeding business, but the increase in value of this land will make you a fortune. You don't have to dig overy dollar you make out of the soil. If you run a dairy farm they will come to the door for the cream and pay you cash. If you do a stock feeding business you can purchase the feeders farther west and feed them on this land. 50,000 acres in St. Louis and Cariton counties, Minnesota, near cities of Duluth and Superior, at price within the reach of all, is to ill an acre, easy terms. Fourteen railroads now entering these two cities furnish cheap and quick transportation. A ten-million-dollar steel plant now building by United States Steel company, near lands. Whiller Bros. cut 4 crops of alfalfa have a proposition of payment.

Here Are 2 Sample Crops of 1910:

Miller Bros, cut 4 crops of alfalfa hay,
averaging one ton each crop per acra,
which sold for \$15 to \$21 per ton and
threshed from the fifth crop \$50 pounds of
seed per acra, worth 15c per pound. Total
income over \$120 per acra. Mr. Warrick
rented his alfalfa land and received \$25
pur acra for his one-half of the crop.

The climate and elevation in the Pecos
Valley are ideal for fruits as well as alfalfa, corn and cotton. Tokay grapes and
Rocky Ford melons ripen one month earlier than at Fresno, Cal., and Rocky Ford,
Colo., and being first on the market always bring topnotch prices. Fruits from
this valley took four first premiums over
California and Colorado at the World's
fair, St. Louis, and vegetables from Mr.
Biggs' home farm took twenty-two first
premiums at the El Pako fair in 1909.
