AN UP-TO-DATE DRUGGGIST

says it is surprising how many oldfashioned remedies are being used, which goes to show that it is hard te improve some of our grand-mothers' old, time-tried remedies. For instance, for keeping the hair dark, soft and glossy, nothing equaling our grandmothers' "sage tea" has ever been discovered. Although, by the addition of sulphur and other ingredients, this old-fashioned brew has been made more effective as a

scalp tonic and color restorer.

Nowadays when our hair comes out or gets faded or gray instead of going to the garden or garret for herbs and making the "tea" ourselves, we simp-ly go to the nearest drug store and ask for a bottle of Wyeth's Sage and Sulphur Hair Remedy.

Druggists are authorized to sell it under guarantee that the money will be refunded if it falls to do exactly as This preparation is offered to the

public at fifty cents a bottle and is Sherman & McConnell Drug Co. and Owl Drug Co.
