

ROURKES PLAY HERE TODAY

Game with Wichita is Transferred to Rourke Park.

FANS MAY SEE THE NEW TEAM

Many New Faces Will Be Seen in Pa's Lineup When the Ump Calls Time This Afternoon.

Pa Rourke and his Warriors will arrive in Omaha this morning, accompanied by the Wichita team.

Monday is an off day and then three games will be played with the Lincoln team. Wichita will then come for three more.

The acquisition of the new players by Rourke seems to have put life into the team.

More Life in Team. The acquisition of the new players by Rourke seems to have put life into the team.

Pick, the new third baseman is especially pleasing to Rourke. He is a graduate of the University of Virginia.

Indianapolis Taxed to Accommodate Races

Indiana City Unable to Give Room to Enthusiasts of Big Motor Contest.

INDIANAPOLIS, May 20.—Indianapolis has begun to dress for automobile race day.

The hold that this race has gained throughout the middle west cannot be exaggerated.

The proportions that the contest is taking are best reflected by special arrangements that the railroads are making.

MORNINGSIDES GATHER LAURELS. Sioux City College Takes Field Meet.

GRINNELL, Ia., May 20.—Morningside college of Sioux City won the track and field meet of Iowa conference schools here today.

OSCEOLA Has Clean Record. The Osceola High school here held a clean record in the Iowa conference track and field meet.

Plan to Walk to Denver

ALEX C. WESTERFELD. FRANZ H. PAUSTIAN.

Two Omaha men, Alex Weidenfeld and Franz Paustian, will start tomorrow on a 20-mile hike to Denver.

They are both 23 years old. Weidenfeld is employed by the Carpenter Paper company and Paustian by the Nebraska Telephone company.

BATTLE ROYAL FOR ASPIRANTS

Tournament for White Hopes to Be Held in New York.

TWELVE GIANTS ARE ENTERED

Illinois Youngster Weighs 275 Pounds and Stands Barefooted Six Feet Eight Inches Tall.

NEW YORK, May 20.—Twelve white men who think they know how to fight with gloved fists and may develop sufficient prowess to wear the heavyweight championship title from Jack Johnson have sent in their names to Manager Tom O'Rourke of the National Amateur Athletic Union.

O'Rourke firmly believes that the only way to discover real white heavyweights is by holding a tourney open to all comers.

He stands six feet eight inches in his home-made socks and can tip the beam with a reach of sixty-six and one-half inches.

Wrights and Curtiss Out of Speed Race

Leaders of Plane Industry Refuse to Enter International Contest in England.

NEW YORK, May 20.—It is now practically certain that the makeup of the American team in the international speed race in England on July 1 will be Charles Weymann, J. V. Martin and Earle L. Ovington.

The Wright brothers and Glen H. Curtiss have definitely announced to the Aero Club of America that they are not building and have no intention of constructing special machines for the contest.

Weymann, who has done all his flying in France, will probably have the fastest airplane of the trio.

The speed of the fastest machines of Ovington and Martin is a little over seventy miles an hour.

Bellevue Wins the Meet. Strong in Track Events and Takes Six of the Firsts.

WESLEYAN IS A STRONG SECOND

Nebraska Colleges Meet on the Track at Lincoln, Where They Try Conclusions in Series of Sporting Events.

LINCOLN, Neb., May 20.—(Special Telegram)—With almost ideal weather conditions and the track in fine shape, the track and field meet of the Nebraska colleges was held here today.

Bellevue was strong in track events and won most of its points with firsts, securing six of the firsts.

Wesleyan was second with 40 points, Doane third with 23 points and Corner fourth with 6 points.

PLENTY OF GOLF MATERIAL

Early Events of Season Promise Some Brilliant Play.

EASTERN SECTION IS HOPEFUL

Fears of Losing Laurels to Middle West Are Disparaged by the Rays of Newly Born Hope.

NEW YORK, May 20.—Encouraged by what has already taken place in the early golf tournaments of the season, there are many who talk prophetically of a hard time for the veterans of the links this summer.

The victory of Gardner W. White of Oakland over Walter J. Travis would seem still further to strengthen the belief that the ways of the former champion will not lie entirely along the same old rose strewn path.

Blank dismay there was for a time at the death of budding material. It was this apparent void that was responsible for the promulgation of Leighton Calkins' scheme for the stimulation of interest among the juniors.

Looking into the future with a steadfast gaze the Plainfield president sees nothing whereon to build his hopes.

Thereafter supremacy on the links would shift to the middle west and it might be years before this district would regain its lost laurels.

W. L. Foulk '06 will have complete charge of everything connected with foot ball at Princeton except the finances of the sport, but it is understood that Cunningham and MacGregor, with Captain Hart, will do most of the actual field coaching.

Cunningham was coach of the Princeton freshman eleven last fall and succeeded in winning his charges through the season with only one defeat and a 5-to-0 record over the Yale cubs.

MacGregor, for two years first substitute tackle and varsity tackle last fall, knows the art of playing on the line from A to Z and should make an excellent coach for the forwards.

Such a system of coaching is a radical departure from anything yet tried in Princeton and it is believed to give it worth. Two years ago the so-called "triumvirate" guided Princeton's foot ball stars, having charge both of the police and the actual field work.

It is H. W. Harlan, '06, all-American half-back in 1907 and for two years one of the assistant coaches of the committee in eleven, who will coach the Princeton freshman seven next fall.

Chicago Team Captures Illinois State Intercollegiate Title. CHICAGO, May 20.—The University High school team of Chicago won the Illinois state intercollegiate meet at the University of Illinois today with a total of 28 points.
