

The May Sale of Summer Under Muslins Opens Monday at Bennett's

With Beautiful and Dainty Underclothes

IN WONDERFUL VARIETY, CHARMING STYLES, OFFERING VALUES NOT BEFORE KNOWN. A SALE IN WHICH EVERY GARMENT IS RIGHT, RELIABLE AND REALLY REASONABLE—This is a sale planned for every woman. We've been preparing for this sale for weeks, searching all the best American markets. We found the markets very unsettled—loaded with merchandise—so much so that many manufacturers were "panicky." There were also loads of "shabby" merchandise, but we wouldn't look at this—Bennett's quality is settled. We knew what we wanted and got it, at figures far lower than a settled market would have permitted. So Monday, with the opening of this May Sale, it is with the pride of knowing that every garment, whether "at a little or a big price, is Right, Reliable and Really Reasonable" offering values that will give service and satisfaction and yet are costing our friends far less than others would ask for the same quality.
