ON ELECTION OF SENATORS MASTER BOILER Minority Committee Reports Against

DIRECT CHOICE ALMOST IGNORED Substitute Amendment is Suggested

Change in Supervision.

Which Will Not Interfere with Federal Control of Elections.

WASHINGTON, May 22.-No popular demand exists for a change in the constimand exists for a change in the consti'tution so as to deprive congress of the
right to supervise the election of United
States senators. So asserted a minority of
the members of the schale committee on
the judiciary in a report filed today. The
report opposed the withdrawal of such
right of supervision from congress as is
contemplated in the plan for the selection
of senators by direct vote of the people.
It was aigned by Senators Clark, Wyoming.
Nelson, Dillippham, Sutherland, Brandegee
and Root, all republicans. and Root, all republicans.
The report igneres the question of direct elections and deals entirely with that of

supervision, which is declared to be the more important feature of the house election resolution, which is now before the senate on a report from the majority of ed that the

to Madrid aviation race yesterday, and why the ultimate authority of the national and other countries will gather in Omaha which caused the death of M. Berteaux, government over the times and manner of for the international convention, beginning electing senators by direct, popular vote today, to discuss the present state of injury of Premier Monis, the contest was should not continue to be exercised just scientific knowledge in regard to boilers. as it always has been exercised over the their manufacture and the ways of making direct election of representatives by

decided to continue their flights to the of the power which it is proposed to strike lish the headquarters, and fully 300, includout is essential to enable the national government to act effectively in case it should be here by Wednesday night. A. N. Lucas. ever have occasion to enforce the provisions of the fourteenth and fifteenth amendments to the constitution.

"The basis of any enforcement of those provisions must necessarily be the ancertainment and establishment of the facts in respect of the elections to which they may relate," says the report proposed amendment if adopted, would be the latest expression of the sovereign will of the people of the United States would take away from the national government authority to make those regulations regarding regulations which essential to the preservation of the evidence regarding what actually occurs."

Substitute Suggested.

The report concludes: The two proposed amendments ought to considered separately, and each upon its own merits. The existing tendency toward the direct election of senators by the people ought not to be made a vehicle or pretext for getting the approval of congress to an entirely separate and distinct proposal, to destroy federal control over

their legislatures, a change which they Omaha industries, which will be investimay not desire as the price of securing gated for interesting features and from another change which they may desire. in order to prevent this unfair and in- Tuesday it will be the Union Pacific shops, jurious treatment of the subject, we Wednesday the Stock exchange and packrecommend that the resolution be amended ing houses. NEWS OF PEACE

End of Hostilities Has Arrived.

NORMAL ATMOSPHERE RETURNS Republic of Mexico Now Awaiting

Resignation of Diaz.

MADERO THEN TO MEXICO CITY Scores of Congratulatory Messages

Pour on Rebel Leader.

Successful Termination of Nearly Four Weeks of Parleying Very Pleasing to the Federal

Envoy. JUAREZ, Mexico, May 22-Tranquility of an official declared variety, not unlike the quietude of the erstwhile general armistice, but possessing more of the normal atmosphere of real peace, reigns in northern Mexico today for the first time in six months. Messages are being flashed today over all wires and by courier to remote parts of the country announcing that last night a peace agreement definitely ended the hostilities between the revolutionists and the federal government. Undisguised joy beamed in the face of Judge Carbajal, the federal peace envoy today, as he prepared to depart for Mexico City, his mission here being accomplished after nearly four weeks of parleys Francisco I. Madero, jr., triumphant leader of the revolt, sat in his house in the outskirts of

Senor Madero smiled this morning as he heard the story of how the peace agreement was signed last night. Along with their joyous manifestations over the signing of the peace agreement, his callers told and retold the humorous sidelight that was thrown on the signing of a document calculated to have the most far-

cess of the movement he initiated. He will

Sonor Madero in his victory feels that ne will now be responsible for the restoration of complete tranquility and will attempt to demonstrate that if he is not in control of some bands, he at least can subjugate them. Judge Carbajal represented the federal

government and Dr. Gomes, Francisco Madero, sr., and Senor Pino Suares acted for the revolutionists. The agreement
