School Money on Hand. The stale treasurer has certified to

State Superintendent that there is a total of \$375,461.63 in the temporary school fund to be apportioned among the different countles of the state for the support of public schools.

This fund is apportioned twice each year. One year ago the semi-annual apportionment was \$324,266. This apportionment shaws an increase over the apportionment of last May in the receipts of the state in interest on school lands sold. Last year the receipts in this fund for the semi-annual apportionment aggregated # \$11.583. The interest on bond last May was \$135,000. Fro the same period this year it is \$158,904. There is a little increase in the amount of funds received from fish and game licenses. The funds for this semi-annual apportionment are derived as follows. State school taxes, \$736.18; interest on school and saline lands sold, \$111,583.81; lese of school and saline lands, \$97,427.80; interest on bonds, \$158,904.84; game and fish licenses, \$6,809.
