Decision in the Tobacco Trust Case Expected Monday

Thought Supreme Court Will Make Clear Its Views, as in Standard Oil Opinion.

WASHINGTON, May 27.—(Special Telegram.)—The United States supreme court is expected to hand down on Monday a decision in the tobacco trust case, favorable to the government, says the correspondent of the Chicago Tribune.

It will make clearer its views as to what it meant by "unreasonable" restraint of trade and "rule of reason." It has been reported for some days that the court reached its decision with respect to the tobacco trust at the time it decided the Standard Oil case, but deemed it expedient not to hand down the two decisions at once.

The trust is expected to have its representatives present. Monday will be the last day of the term and besides the tobacco decision, a number of other important cases will be decided.

Northwest Triumphs!

Purchase of Bankrupt Minneapolis Stock by St. Paul Concern Means Much to This Section—Spot Cash Did It. Eastern Concerns Try, But Fail.

Tibbs-Hutchings Stock to Lindeke, Warner & Sons

At a Little Less Than 50c on the Dollar—Great Sale Planned Which Will Be of Inestimable Value to Every Consumer as Well as to Every Storekeeper of the Northwest.

West's Greatest Merchandising Event

The home of the greatest Dry Goods House in the West, that of Lindeke, Warner & Sons, at Fourth, Broadway and Rosabel streets, St. Paul, where early in June will be sold the assets of Tibbs, Hutchings & Co., just purchased at auction for less than 60 cents on the dollar.

The growing ability of the great prosperous Northwest to "take care of itself" financially was convincingly proven by the purchase of the Tibbs, Hutchings & Co. bankrupt dry goods stock last week by Lindeke, Warner & Sons, the pioneer dry goods wholesalers and manufacturers of St. Paul.

This was, without exception, the greatest bankrupt stock ever sold at auction. The stock was larger and the consideration was larger than in any other similar sale in the mercantile history of the country.

The power of "ready cash" was comprehensively demonstrated when assets valued at over two and one-half millions were sold to the St. Paul firm for \$1,243,000.00—a trifle less than 50 cents on the dollar.

The net result to the merchants and consumers of the Northwest is the doubling of the purchasing power of their money when it goes to buy the Tibbs-Hutchings stock. Had it not been for Lindeke, Warner & Sons this opportunity would have been transferred to merchants and consumers further East.

Included in their purchase are not only every bit of merchandise formerly owned by the unfortunate Minneapolis concern, but also their real estate, fixtures, trade marks, good will, accounts and bills receivable. The merchandise and fixtures are now being moved to the big Lindeke, Warner & Sons building at Fourth, Broadway and Rosabel streets, in the heart of St. Paul's downtown wholesale district.

This sale will be to merchants only. It will take place some time in June and full particulars will be published in this newspaper, in the "Lindeke-Warner Bulletin" and in circulars sent direct to the trade.

Included in this Tibbs-Hutchings stock, soon to be offered at 50 cents on the dollar of wholesale cost, will be full and complete lines of the following items in which the stock is very strong:

- Hosiery, Laces, Gloves, Silks, Underwear, Embroideries, Domestic, Blanks, Knit Goods, Notions, Flannels, Rugs, White Goods, Prints, Men's Furnishing Goods, Carpets, Linens, Wash Goods, Dress Goods, Overalls, Etc.

Coming as it will right in the middle of the most prosperous year that the Northwest has ever known, with plenty of wealth-producing rain and prospects of phenomenal crops, this sale will doubtless break all records.

Wait for full announcements later. It will pay you to do so. If you're a merchant and are not on Lindeke, Warner & Sons mailing list it will pay you to get there. Just send your request for literature on a postcard with your name and address and you will get all their circulars and publications, including the "Lindeke-Warner Bulletin," a periodical full of ideas, information, illustrations, cartoons and spicy comment of great interest and value to every retailer.
