MAYOR PROCLAIMS THURSDAY TAG DAY

Dahlman Issues a Proclamation to Help the Y. W. C. A. Building Fund.

Thursday was officially named "tag day" by Mayor Dahlman Wednesday morning.

The mayor issued a proclamation, calling attention to the work of the Young Women's Christian association and urging citizens to respond to the appeal for help in raising the debt which hangs over the association.

"The Young Women's Christian association is burdened by a large debt, to lift which extraordinary efforts are being made. The association is doing for the young women of Omaha a service similar to that of the Young Men's Christian association. This is not the place in which to recite the many activities of the Young Women's Christian association, but a knowledge of them convinces every man and woman that the work being done must be encouraged and promoted by every citizen.

"As a means of giving the widest opportunity to everyone to contribute to the fund for lifting the debt the officers and trustees of the association have designated Thursday, June 1, as tag day.

"The association will with hearty approval and I give this public expression to the subject in the hope of reaching the largest number of men and women that they may know of the date fixed for tag day and the objects sought to be attained.

"Therefore, I officially proclaim Thursday, June 1, as tag day.

"JAMES C. DAHLMAN, Mayor."
