ROURKES RUN OVER KAWS

Pa's Boys Take Easy Victory by Heavy Hitting.

KANE LANDS FOR A HOME RUN

Puts Ball Over Right Field Fence and Adds Three to Score-Hundreds of Women Out to

See Game.

Five errors, four hits and a base on balls netted the Rourkes nine runs in the sixth inning of yesterday's game and gave the Colts the long end of a 9 to 3 score. The Kaws made two runs off Lotz in the Le first inning, but managed to get only one more tally while Rhodes was in the box.

Up to the sixth inning but two hits had been garnered off Buchanan, who was on the mound for the Kaws. He dished out Hastings an assoriment to the Omaha lads that mystified them. Williams found the lanky Kaw for a hit in the opening frame and Schooney did the same in the fourth. In the sixth Williams landed on the twirler for a clean double. Kane fittingly ended the bitting in the sixth with a home run

over the right field fence. Lotz started the game for the Rourkss, but the first two balls he pitched were hammered out for clean hits by Rickert and Hafford, who got a double. It was then that he was jerked and Rhodes sent to the rescue of the falling Colts. He retired the first three men to face him. In all only four hits were made coff him and ten of the Kaws fell before his mystic

wrinkles by the strike-out route. Kane was the real hero of the game. when with two men on bases in the sixth i he clouted the sphere for the entire circuit, which ended the scoring. The Kaws had an off day and managed to get away with eight errors, four of which went to Hopke, the little shortstop.

Women Out to See Game.

Twenty-five hundred real fanines turned out to see the struggle. The noise that

greeted the boys as they made brilliant plays was almost deafening. One would have thought that a cloud had burst when Kane lifted the horsehide over the fence. Morgan came in for his share of the applause when he resumed the game after having been hit in the head by a foul ball when behind the catcher.

Topoka went into the game confident of duplicating Thursday's stunt, and for five innings it looked good, but then everything dropped in one inning. The Kaws were hit so hard that they could not get their regular stride and put up a feeble attempt to come back.

Rickert opened the game with a double to center. He scored on Hafford's single to left. Hafford stole second and went to third on Tomason's fly to right. The ball was thrown to Kneaves from the outfield. Anderson, rf. AB. R. Colligan, ss. 3 0 Curtis, H. 8 0 Mattick, cf. 3 0 He threw it to third and hit Hafford on the head, who went home when the ball bounced away.

In the fourth Hopke walked, went to sec-Dwyer, 1b. Kores, 3b. Graham, 2b. ond on Kneaves' error, took third when Crompton was hit by a pitched ball and scored on Hawkins' hit to left.

Omaha scored in the sixth. Kane walked and took third on Williams' drive to right for two bags. He scored when Breitenstein missed Nichoff's casy grounder. Wil-

Notes of the Game.

Twelve men batted in the fatal sixth inning for the Colts.

Well, the Rourkes will try and even hings with Lincoln now.

Lots did not last long enough to get his tride before he was jorked.

Gonding was there with bells on and only one man plifered second on him.

Rickert managed to get a couple of clean singles Both were in the left garden.

A thirteen-day trip is now in order for the Rourkes. The boys leave for Lincoln Lincoln this morning.

Kane was the only Rourke to get more than one hit. He got a single in the first and a homer in the sixth.

It was the largest Ladies' day crowd of the season. It is estimated that 2.500 of the fair occupied seate in the stands.

Notwithstanding the fact that twelve men batted in the sixth inning the game only lasted one hour and forty-five minutes.

With two more twirlers on the staff Pa Rourke ought to feel a little better, and the team should begin to go up the ladder.

Kane's first hit was somewhat of a fluke. Four of the Kaw infielders watched the bail drop in the infield each thinking the other was going to take the catch. away with an average of .662 for forty-four

During the summer most persons are annoyed with pimples, boils, rashes or eruptions, while others suffer more severely with Eczema, Acne, Tetter, Salt Rheum, or some kindred skin disease. All skin affections come from humors and acids in the circulation. The blood, as it circulates through the system, deposits these humors and acids in the sensitive membranous flesh which lies just beneath the outer skin. Thic acrid matter causes inflammation and a discharge which breaks through the delicate cuticle, and skin diseases are the result. To cure any skin trouble the blood must be freed from all acids and h mors, and for this purpose nothing equals S. S. S. It removes every part.cle of the impurity, enriches the blood, and in this way permanently cures skin diseases. Book on Skin Diseases and any medical advice free. S. S.
