## RHODES' ARM WINS GAME

Keeps Hit Column Down, Topeka Losing Two to Nothing.

PICK BINGLES AT RIGHT TIME Omaha Threatened Only Once, When in Fifth Inning Topeka Throws Away Chance to Make.

Good TOPEKA, June 6,-(Special Telegram.) Pa Rourke's tribe, composed chiefly of a chap named Rhodes today trimmed Topeka aspirants, 2 to 0, in the opener. That little bug Rhodes was the whole

While Fugate lost, he was pitching good ball all the way and an error helped. Omaha never threatened until the fifth inning. Then Kneaves rolled one to Hopks that was too slow to catch the batter. Agnew hit one right in to Hafford's hands, but it didn't stop and when thrown in Kneaves was on third and Agnew on second. Rhodes fanned, but Pick came along with the pinch bingle that drove both men across. Not once in the game did an Omaha man get to third,

show, as the the hit column reveals. In-

cidentally his pals were pounding away be-

except in the fifth. Topeka clouded up a couple of times. In the second Whitney led off, but was crimped on Hopke's attempted sacrifice. Breitenstein died on a roller to Niehoff and Crompton walked. With two on, Hawkins picked a hot roller to left and Hopke tried to come home on it, but Schoonover made a perfect throw and beat Hopke an inch. nl the ninth Beecher led off with a bingle and after Whitney died, via King, Hopke walked. But Kneaves pinched Brietenstein's liner and Crompton fanned. Score: AHAMO.

Crawford of Wahoo Attracts Attention

Star Player of Detroit Team Has Admirers in Congressional Circles.

WASHINGTON, D. C., June 6.- "Sam" Crawford of Wahoo, now one of the star players of the Detroit team, has probably attracted more attention from "congressional circles" than any ball tosser who has appeared here this session. Congressman Lobeck, who knew "Sam" when a kid on sand lots of Wahoo, is responsible. He passed word along and induced many who hardly knew a base ball from a foot ball to go out and witness "Sam" perform in the field and at bat, and "Sammy" has made good at every game of the present series between the local team and "Tigers." Saturday Lobeck induced Representative Sloan to go to the game and today he has as a companion Congressman Latta. Representatives Norris, Kinkaid and Maguire, so far as known, have not attended a ball game this year.

#### Jack Johnson Off for Coronation

for England on Steamer Kron Prinz Wilhelm.

NEW YORK, June 6.-Jack Johnson, negro champion pugilist, and his white wife sailed today aboard the steamship Kron Prinz Wilhelm to witness the ceremonies incident to the coronation of King George V. A large contingent of Manhattan's sportive negro population boarded the vessel before it sailed today to say goodby and their presence with flowers and other offerings they brought, together with the pugilist's golden smile and his wife's glittering display of diamonds, easily made this the most conspicuous party aboard.

Instead of obtaining a stateroom among those of the other first cabin passengers, the Johnsons were assigned to the room ordinarily belonging to the chief engineer of the ship. It was also announced that small table in a rather secluded corner of in the Interstate Commerce commission by the first cabin dining salon. Johnson said he did not intend to fight

while abroad, but that if he were offered mission in a decision announced today in enough money he would fight a bear. "I'd fight a bear for about \$30,000," he said.

"Will you fight Sam Langford?" "He ain't no bear," answered the negro; 'he's a wildcat."

## Long Leap Made by an Automobile

Car Runs Off Embankment at Cedar Rapids Without Injury to Itself or Five Occupants.

CEDAR FALLS, June 6 -- One of the most eculiar automobile accidents happened in this city late Sunday afternoon when a five-passenger car went over an embankment of twenty feet and by actual measurement leaped forty-eight feet without overturning, landing in a bed of rock and mud without suffering any harm either to the car or any of its five passengers. The car belongs to Dr. J. Scott Stevens and was being run by his son, Harry, aged :7 years The car while running at great speed got beyond his control and as he sought to keep it from veering into the fence on the right hand side turned too suddently and it leaped over the grade embankment, tearng away the planks of the fence. Three ig cedar posts were snapped off as if but indling wood and the car, going too fast overturn, landed safely in the mud and rock of the low land. The car was helped out of its perilous position, backed up onto dry land, the five passengers took their seats and returned to town at the rate of thirty miles an hour, with only scratches convinced former Chief Clerk Michael, upon one person. It is considered to be among the miracles of automobiling.
