Mrs. Dinah Watts Pace is the founder and head of the Reed Industrial school near Covington, Ga. Mrs. Pace is a colored woman. Her work for the children of her own race began in 1883, when she was less than 31 years old, when she took two motherless children to care for. She supported these two children and herself by teaching school, picking and hoeing cotton, taking in washing and anything that came to her to be done. Other motherless negro children drifted to her, until finally her one-roomed cabin could hold no more. Then she set to work, and with the assistance of her neighbors and friends, built the present institution.

The Chicago school marm who declared

The Chicago school marm who declared publicly that "a respectable saloonkeper is just as respectable as a respectable banker," will retain her position in spite of the efforts against her of the Women's Christian Temperance union; but the board of education, in deciding that she may stay, lays down the rule for the future guidance of teachers: "The principals and teachers

Mir. Ella Flagg Young superintendent of public schools in Chicago, has decided that children shall be taught the art of flipping, which is nothing more or less than how to descend from a moving vehicle. Mrs. Young is reported as saying that the object is to overcome the habit among women and girls of leaving street cars facing backward instead of forward. She believes that by teaching children the underlying principle and how to put it into practice, by the time they grow up they will automatically step down from the car facing the direction in which it is moving.

### **CURES ALL RHEUMATIC DISORDERS** AIDS THE DIGESTIVE FUNCTIONS

"No man is healthier or stronger than his stomach."

The fact that certain drugs can be relied upon to neutral-

ize uric or lithic acid is well understood. The trouble is, and always has been, that these drugs without exception antagonize and damage the digestive tract, rendering impossible their use for a sufficient length of time to accomplish a cure.

#### Uricsol Solves the Problem

Uricsol not only effects a cure, in rheumatic disorders, but it does it without disarranging the stomach or any other bodily function.

Edith C. Copelan 1812% Sentes Street, Los Angeles, writes: Not only has Uricsol almost oured me of rheumatism of the heart, but it has also increased my weight and given me an appetite hard to equal."
