JOY RIDERS ARE RECOVERING

Identity of Two of the Women is Still Kept a Secret.

NO WORD FROM MOORE'S MOTHER

Arrangements for the Funeral of the Dead Man Held Up Pending Telegram—Fraternity Plan Reveals Identity.

It developed Thursday that a fraternity pin worn by Lem C. Hill furnished the clue to the identity of the joy riders in the party with Wayne Moore when he was fatally hurt near Waterloo Tuesday morning.

When found lying on the roadside by Mayor Wols and a party of Fremonters, Moore was unconscious and two of the women hysterical. Hill did not appear to be injured and requested Mayor Wols to remove the number from the wrecked car so that its ownership or the identity of the occupants could not appear to be dangerous.

The manner in which Moore received the fatal injuries mystified the Fremonters. The auto stood squarely in the middle of the road and there was no indication that it had struck any obstruction. Moore was found apparently dying in a clump of bushes near by.

A CONSTANT ITCHING AND BURNING

Night and Day. Cried All the Time. Used Most Everything. Cuticura Remedies Cured Itching in 3 Days. Healed in 8 Days.

"I was taken with the itch in April, 1904, and used most everything. I had a friend pay me a visit from Cumberland, and she advised me to use Cuticura Remedies which I did. The cure was certainly quick, and I use them to this day. I had it terribly under my nose. I could use one box of Pills, but was better off with Cuticura Ointment, and I use the Cuticura Soap all the time. It has cured me and I would recommend them everywhere. I hope everyone suffering from any skin disease will try Cuticura, for it is a safe remedy." —Miss Lu Johnson, 1523 1/2 South St., Washington, D. C., April 8, 1910.

NEGRO ARRESTED FOR THEFT

Two Others Wanted in Connection with Assault Made on James O'Malley.

John Tighe was arrested Thursday by Policeman Chic Ferris at Thirteenth and Capitol avenue on request of James O'Malley, who reported that he had been robbed and stabbed by three negroes near the Lyons hotel.

The pension fund, created by statute, is provided for in two ways. An assessment of not less than 1 per cent nor more than 1 1/2 per cent of the teachers' payroll is assessed each month. To this is added one and one-half times the amount from the general fund. The Board of Education is forced to provide for funds, a clause stating that the Board of Education must transfer enough from the general fund to meet the requirements in case the assessment and the one and one-half provision do not produce sufficient money.

Funds Are Sufficient. Reports that the fund was about exhausted in September, 1907, thirteen teachers have been placed on the roll, but of these, three—Frances Butterfield, Villa Shipping and Louise Adams—have died, leaving ten on the list.
