

## Council Bluffs

## Minor Mention

The Council Bluffs Office of The Omaha Bee is at 15 Scott Street, South Platte 42.

Don't drink. Wedding drive at Lefferts' Corbin, undertakers. Phone 142. FAUST BIER AT ROGERS' BUFFET. Wedding Undertaking company. Tel. 30. Lewis Cutler, funeral director. Phone 97. PURE GOLD WEDDING RINGS—LEFFERTS.

LEFFERTS' dollar window is the talk of the town. See the new 1000 mail paper patterns at Lefferts', 215 South Main street.

Call for a case with Lefferts' Peerless beer. J. J. Klein Co., distributors. Dollar day bargains. German jewelry store. Sale opens at 5 o'clock on Saturday, June 17.

The place to buy wedding gifts. See our window display. Fabrics Art shop, 14 Broadway.

The U. V. L. and Ladies' auxiliary will meet at their hall on Broadway this afternoon at 2 o'clock.

The Board of County Supervisors yesterday ordered an electric driven oil machine for the county treasurer's office. The machine will be used for adding machines that have long been used.

Mrs. Mary West of Crescent township was examined by the county commissioners yesterday and held in the Lincoln hospital for treatment and was taken there during the afternoon by Deputy Sheriff Lefferts.

Constable Sherman Humphrey and Al. Nock were yesterday appointed by the Board of County Supervisors as the late special congressional election and the general election last fall. They will be burned in the furnace of the county building.

Frank H. Wilder of Omaha, who attempted to operate an automobile without a license, was fined \$5 and costs in court yesterday morning. J. Jones of Fremont, Neb., who was fined for not having a license at the same time because he had no number on his car, secured a continuance until Saturday to show that his car had a number that had been lost without his knowledge.

Henry Hahnen returned yesterday after several years' absence in southern California and will remain here during the summer. He is stopping at the home of his daughter, Mrs. Charles E. Coy, on Harmony street. California life has apparently agreed with him. He is a man, as he is at least fifty pounds heavier than he used to be. Since going to Los Angeles several years ago Mr. Hahnen has been married and has secured a divorce on the grounds of incompatibility.

Mrs. John B. Chadwell has complained to the police that she was kicked in the stomach by a tramp who applied to her home, 180 North Eighth street, and was refused admission. The tramp was taken to the police station and when he was taken to the police station he was taken to the police station and when he was taken to the police station he was taken to the police station.

James Murphy, 42 years old, died yesterday afternoon from paralysis at his home, 411 North 10th street. Mr. Murphy had been in the employ of the Singer Sewing Machine company for the last eight years, coming here from Hastings, Neb. Mr. Murphy was stricken several days ago, and his friends at Murphy, O. were advised by wire from the headquarters of his condition. C. R. Murphy, a brother, arrived yesterday a few hours before the end came. He will take the body back to the old home in Ohio for burial. Mr. Murphy had a strong and pleasant personality that earned him many lasting friends. He survived by his wife and 4-month-old baby.

The old wooden building located at the corner of Avenue B and Twenty-fourth street, which has been standing in the street for the last few years, was ordered by the county board to be removed. The board decided to withhold the figures and directed Supervisor Children and county auditor to interview the builders and get them to agree to submit new bids. The old building was acquired by the county by default in taxes and has been used for an election booth and the meeting place for many years of the West End Improvement club.

Attend the Dollar Bargain Day Sale at the Gerner Jewelry store. Doors open at 5 o'clock Saturday, June 17.

Mrs. Snodgrass Back From British Yukon

Woman Whose Husband Was Killed in the Far North Returns to Home of Her Parents.

Mrs. Clara Snodgrass, who accompanied her husband, Eugene Snodgrass, an Omaha and Council Bluffs telegraph operator, to the British Yukon country and who lost his life last winter in the snowy wilds, arrived home yesterday afternoon, after little more than a year's absence. She is now at the home of her parents, Mr. and Mrs. A. M. Bonham, 25 Harmony street. Mrs. Snodgrass perished last December and his body was not found until a week after his death. Mrs. Snodgrass was compelled to remain at the camp near Hazelton on the Skeena river, a tributary of the Yukon, until the opening of navigation in May. The camp was located 30 miles from the nearest railway station and 50 miles north of the United States boundary line. For several months Mrs. Snodgrass was the only white woman in the camp, but after the death of her husband she went to Hazelton where there was a small settlement of white people. Eugene by wire there was no communication with the outside world other than once a month, when the mail was brought in by dog sleds. Ice did not leave the Skeena river and permit the passage of the little river steamer until May 15. Mrs. Snodgrass had to travel many hundred miles by water and the journey back to civilization consumed a month. She stopped a short time in Colorado.

SEE THE wonderful bargains in Lefferts' dollar window. No old, out of style articles. Every piece a genuine bargain.

Real Estate Transfers as reported to The Bee June 15 by the Potomac National County Abstract company of Council Bluffs:

M. A. Rough, trustee, and wife to Patrick McKennan, lot 21, block 11, Central subdivision in Council Bluffs, Ia., w. d., \$100.

Chicago, Rock Island & Pacific Railroad company to J. J. Klein, lot 21, block 11, w. d., \$100.

James F. McCarty and wife to J. J. Klein, lot 21, block 11, w. d., \$100.

Name and Address. Age. John Shannon, Lead, S. D., 21. M. Smith, Omaha, 21. M. Smith, Omaha, 21.

BUY FOR \$1 at Lefferts' on Saturday. Articles that usually cost from \$2 to \$5.

## Council Bluffs

## LIABILITIES OF O'CONNELL

Complete List of Claims Filed Against Dry Goods Merchant.

DEBTOR SCHEDULES PROPERTY

He Also Offers to Pay Thirty-Five Thousand Dollars for Stock and Court Orders All Creditors Notified.

A complete list of the liabilities of M. J. O'Connell, whose big dry goods store has been closed for several weeks after his creditors had instituted involuntary bankruptcy proceedings against him, was filed yesterday in the federal court. No totals were given for the reason, as stated, that many of the claims are inexact and may be larger or smaller than the amounts named.

The list, however, totals about \$25,000 more than the value of the stock.

The debts are spread over a large portion of the United States and include all kinds of claims. The list comprises 100 separate items, the lowest being 10 cents and the largest \$20,000. All are insured. One item of \$20,000 comprises aggregate wages due the clerks, and the debt estate is credited with holding the sack for \$12,500 for unpaid rent. The Byrne-Hammer company of Omaha has a claim for \$5,000 for merchandise and there is due H. C. Westerman, agent of Omaha, \$1,000 for merchandise.

Debtor Schedules Property. In addition to the stock of goods and the fixtures, originally worth more than \$20,000, but depreciated at the present time on account of the unreasonableness of little more than half of that amount, O'Connell owned property in Kansas City worth \$20,000, but upon which two mortgages, one for \$10,000 and the other for \$10,000, 500 acres of land in Rock county, Nebraska, of unvalued value, open accounts worth \$2,000 and household goods valued at \$200, but claimed as exempt.

One of the largest claims is filed by O'Connell's wife, Nellie L. O'Connell, amounting to \$20,000. Mr. O'Connell says she held the equity and title to property in Indiana worth that amount and which was later traded for the Kansas City property mentioned. The title to which was taken in the husband's name. O'Connell says in his statement that he promised his wife that her property should always be safeguarded. Mr. O'Connell says in his statement that he promised his wife that her property should always be safeguarded.

"I express no opinion upon the validity of this claim," leaving it to the court to determine. A claim of \$2,500 is listed as due his sister, Anna O'Connell.

A number of small claims are held by Council Bluffs people and appear in the schedule in this order:

Postal Telegraph company, \$22.25; Western Union Telegraph company, \$20.75; D. W. Bushnell, \$24.30; Council Bluffs City Water works, \$28.50; Citizens Gas and Electric company, \$101.25; J. E. Long, \$4.90; J. G. Bradley Electric company, \$206.40; R. H. Grady, agent American Express company, \$21; E. S. Damon, \$24.80; H. A. Quire Lumber company, \$23.35; Crosby-Wirth Printing company, \$40; Emplike, Shugart & Hill, \$28.10; Times Publishing company, \$23.50; Dodge Elevator company, \$20.20; DeVoll Hardware company, \$21; Council Bluffs Bell Telephone company, \$22.50; Independent Telephone company, \$10; 10 cents claims for advertising by various publications aggregating \$100.

Compromise Settlement Offered. Several days ago Receiver John N. Baldwin, Jr., applied to Judge McPherson for an order to sell the stock to the highest bidder, pointing out that it was depreciated at the rate of \$50 a day. The receiver's offer was \$20,000, but the offer received was \$20,000 for the stock and fixtures. O'Connell then made a bid of \$25,000 in the form of an offer to the creditors to pay that amount in full settlement. Judge McPherson ordered all creditors notified of the offer and set next Tuesday for receiving their replies.

An order was issued last night by Judge McPherson requiring O'Connell to appear before Deputy United States Commissioner W. F. Sapp at 10 o'clock this morning for examination concerning his debts.

FROM COLLECTS COURT FEES

District Court Allows Claim of the Chief of Police Rejected by Board.

The victory of Chief of Police Froom in forcing the Board of County Supervisors to allow his claim for superior court fees in connection with his office as city marshal has resulted in establishing a precedent that may cost considerable more money. Mr. Froom presented his claim after the first three months of his official life last year and the board promptly turned it down. Suit was then brought in the district court with the result of establishing his claim.

Yesterday Major George H. Richmond, former chief of police, filed a claim for the fees during the years he was at the head of the department, amounting to \$1,100. The matter was referred to County Attorney Capell for opinion. Lawyers say there is no question about the validity of the claim and that it will eventually have to be paid.

Major Richmond will bring suit if the board rejects the claim.

N. Y. Plumbing Co. Tel. 226 Night P-1226.

NEGRO LURES LITTLE GIRL AWAY

William Rawls is Captured by Police After Sharp Chase.

William Rawls, a negro, 25 years old, was arraigned in police court yesterday charged with misconduct toward the 10-year-old daughter of John L. Hathaway, 361 Avenue B. He passed along the street late Wednesday afternoon while the little girl, in company with a number of other children, was playing in the street and succeeded in inducing her to accompany him, taking her by the arm and leading her away. The other children gave the alarm and Mrs. Roger, a neighbor, telephoned the police station. Officer Richard Evans reported at No. 1 fire station at Twentieth and Broadway a moment later and was sent after the negro. The alarm was quickly spread and a posse of men and boys joined in the search, led by Jack Ellis, a veterinary connected with the office of Dr. McRoberts. The posse chased Rawls all over the neighborhood before he was captured. A charge of lewd and vicious conduct was placed against him and he was held for further investigation. Rawls was recognized immediately after being brought to the station as the man who was arrested on the same charge two years ago when he lured away a little white girl on the pretext of taking her to the Buffalo Bill circus, which was in town.

## Complaint Against Concrete Unfounded

Committee of Commercial Club Makes Physical Test of Broadway Paving Material.

The committee appointed at the meeting of the Commercial club on Tuesday night to inquire into the alleged use of poor material for the Broadway paving contracts, made the required investigation yesterday afternoon and found the complaint to be without foundation. The committee consisted of George F. Hamilton, Robert Bruce Wallace, Alderman E. E. Mianick and J. P. Hess.

The allegation was made at the meeting of the club that the sand used was at least more than half dirt, and that there was something wrong with the crushed rock mixed with it. None of the members of the committee is an expert concrete mixer, but all were good sense business men who knew the difference between black mud and yellow sand. The sand was found to be uniformly free from earth and of excellent quality. Examination was made of the concrete used for the first block of the South Main street paving, which was laid ten days ago. The committee men took turns in trying to punch a hole in it with a crowbar and gave up in despair. They then tried to break it with a sledge hammer and failed after expending a lot of energy. Contractor Wickham assisted them in making the examination and suggested some very accurate tests which would have involved a good half day's work if it had been tried. The committee will make a report to the Commercial club next Tuesday, completely refuting the charge that a rotten foundation is being placed beneath the paving. They are also thinking of asking payment of the expense connected with the making the tests at \$5 cents an hour for the manual labor required and payment for the cold bottles of water necessary to restore the normal temperature of the investigation. The report of the committee was being used as a basis for the old pavement, which Contractor Wickham was required to use by the terms of his contract.

Traction Company May Construct Switch

Judge Wheeler Dissolves Injunction in Benton Street Case Issued Two Weeks Ago.

Judge Wheeler yesterday announced his decision in the matter of the Benton street injunction restraining the street railway company from constructing a new switch on Benton street. He sustained the application of the company for a dissolution of the injunction. The decision was a reversal of Judge Wheeler's own finding two weeks ago when he granted a temporary injunction to C. A. Olmstead on the ground that the proposed switch would prevent the free use of his commission house located on the corner of Benton street and Broadway.

Owing to this and other troubles the street railway company has had its work on the Benton street extension tied up for two months. The street has been torn up for about half its length with the ties and steel laid, rendering it practically impassable and preventing all approach to the property on the east side. Part of the delay was caused by the telephone companies failing to promptly raise their wires, which were strung on poles several feet shorter than the street trolley poles. This obstruction has been removed for at least a month, and now the company may go ahead and complete its line unless the matter is delayed long enough to permit Olmstead to execute his determination to appeal the case to the supreme court. He said last night he would ask his attorneys to prepare a supersedeas bond and carry up the case at once. If this is done the original restraining order will be continued in force until the higher court passes upon the matter, which may be more than a year. Attorneys for the company, however, are confident that his lawyers will not take this extreme course, asserting that there are not sufficient grounds for action. The company could put enough money on the job to complete the switch in a few hours, and if such action was taken this morning the work could be finished before the bond could be completed and filed.

TO SOLVE SEWERAGE PROBLEM

Farmers in Iowa Object to Sewers Discharging into the River.

MASON CITY, Ia., June 16.—(Special.)—The city council is now taking hold of the sewage problem.

As it is at the present time there are two general sewerage problems, both of which find an outlet in the Lame river. During the last two years the fall of rain has been very light and there is not enough water flowing to flush the stream and consequently all along the banks for miles down the river the stench is anything but inviting. Farmers have complained that the cows get their drinking water from the river and the milk might be polluted.

A sewer disposal plant will be built and it will be one of the biggest undertakings the city has ever made. The mayor and his committee are expected to make a report in a short time, when definite action will be taken.

HILL AND BRIDE POOL OLD FOLKS

Go for an Automobile Ride and Return as Men and Wife.

MARSHALLTOWN, Ia., June 16.—(Special.)—Starting on what was supposed to be an automobile demonstrating trip, Elbert L. Hill showed how easy it was to "fool" the old folks by running to near Garwin, then picking up his new bride, Ruth E. Friebe, then setting a witness from Trar to swear to the young people's ages, then a license at Toledo, then married and notifying the parents. Such are the brief details of an elopement in a touring car from this city yesterday. Hill is 19 and his bride is 18.

Iowa Bankers at Mason City.

MASON CITY, Ia., June 16.—The twenty-sixth annual convention of the Iowa Bankers' association opened here today with prominent bankers from all parts of the state in attendance. President John McHugh of Sioux City is presiding. C. H. McNider, president of the First National bank of this city, delivered the address of welcome to the convention. The response was by George S. Parker of Sioux City.

Killed by Person Unknown.

MASON CITY, Ia., June 16.—Cheryl Pogue, a Greek interpreter at the Lehigh cement plant, was shot and killed last night by an unknown person. His body was found this morning near the viaduct over the Northwestern tracks leading through the plant, with two bullet holes through the head.

Injured in a Fire.

## P.E.O. SISTERS IN CONVENTION

New Chapters Taken in and Members Addressed by Founders.

"BROTHERS-IN-LAW" ENTERTAIN

Auxiliary Order Gives Delegates Automobile Rides, Band Concerts and Other Pleasant Hospitality.

CENTRAL CITY, Neb., June 16.—(Special.)—Central City has been wearing its best clothes this week. Streamers of bunting across the street, a big stand waving across the triangle illuminated by electric bulbs at night, attractive and original decorations in the stores and show windows, all in the colors of the P. E. O. star, and a white and red bunting the delegates of that order who are here attending their state convention, to the best that Central City affords.

The twenty-second annual convention of the Nebraska grand chapter of the P. E. O. began its sessions Tuesday afternoon and concludes with a reception at the home of Mr. and Mrs. George E. Schiller this evening. The first session began with a meeting of the executive board at 2 o'clock Tuesday afternoon, but the convention proper was not called to order until 8 o'clock. The sessions are being held in the Christian church. The interior has been very much decorated to accommodate the delegates and the delegates of that order who are here attending their state convention, to the best that Central City affords.

Presented with City's Welcome.

At the evening session Tuesday, Mrs. Eva McDermott, the president of the local chapter, delivered a very graceful address of welcome and presented the convention with a large floral key in the colors of the order, representing the turning over to them of the city of Omaha. Mrs. Carl M. Peterson of Aurora, past supreme president, responded to the welcome. Mayor E. H. Bishop sent a note of welcome to the delegates and souvenir booklets were presented by the Commercial club to all present. Mrs. Clara M. Wilson of Omaha, state president, formally opened the convention. This was followed by an introduction of the officers and the guests of honor. Letters of greeting were read from Mrs. Babb, Mrs. Elliott and Mrs. Stafford. Mrs. Babb is one of the original seven who founded the order and her greeting was listened to with special interest on that account. The Tuesday session closed with an exemplification of the initiation by the officers of chapter B. A.

Wednesday's sessions were given over mainly to routine work. There were reports by various committees, and a presentation of characters of Omaha leaders, which have been organized at Ord, Ashland and Cambridge. This makes fifty-two local chapters of the sisterhood in this state with a total membership of about 1,600. The afternoon session was devoted to a memorial service for the members who had died during the last year, and there was a memorial address by Mrs. Janice Temple.

"Brothers-in-Law" Entertain.

Wednesday evening there was a grand automobile excursion and procession about the town and the surrounding country. Thirty-seven gaily decorated cars led by members of the P. E. O. and the auxiliary local organization, the B. I. L.'s, spent about an hour driving about the town and visiting the Nebraska Central college and other points of interest here. This was followed by a band concert on the triangle.

Thursday's program included a number of interesting papers and discussions on interesting topics.

About 100 delegates are attending the convention. The P. E. O.'s are being assisted in the entertainment features by the B. I. L., which being interpreted means the Brothers-in-Law of the order. The men have arranged many of the decorations, having prepared various forms of entertainments, including the serving of lemonade at the church Wednesday afternoon, the organizing of the automobile excursion and band concert.

Five Hundred Good Roads Boosters Hold Convention in York

Permanent Organization Effected and Resolutions Ask for Laws for Comprehensive Highways Scheme.

YORK, Neb., June 16.—(Special.)—Good road boosters commenced to arrive at an early hour Thursday from towns and cities from Wood River to Omaha. From Grand Island, members of the County Board of Commissioners and Grand Island Commercial club; from Aurora and Hamilton county, to the number of 100, accompanied by the Aurora concert band. Delegates from Fairmont, Exeter, Phillips, Hampton, Bradshaw, Waco, Uta, Council and Stromberg. Over seventy-five arrived from Seward and Seward county. The Lincoln push had over fifty of the leading business men, headed by W. S. Whitten, secretary of the Lincoln Commercial club. Omaha was represented by M. A. Gredler of the Omaha Automobile club, S. A. Seale of the Omaha Commercial club, S. F. Thomas and M. S. Ester of South Omaha.

Over 500 good road enthusiasts were in attendance when the eastern Nebraska good roads' convention was called to order by Alfred Christian, president, who delivered the address of welcome.

A report of work done since the first meeting was made by President Christian, showing a survey of the road across Hamilton county, on which over \$1,000 has already been expended. A good level and straight road has been surveyed across York county, and a survey made of the route across Seward county and from there to Lincoln, connecting with Omaha on the northeast and Nebraska City on the southeast.

Addresses were delivered by Frank Simpson of Seward, H. M. Bushnell of Lincoln and S. A. Seale of Omaha. A constitution was adopted and following officers elected: President, Alfred B. Christian, York; secretary and treasurer, Frank Sharp, Aurora, and seven vice presidents, one from each county. M. A. Gredler of Omaha was elected vice president for Nebraska county. Most of the vice presidents elected from other counties were chairmen and members of county board of commissioners.

The convention adjourned to meet at call of the secretary after adopting the following resolutions:

Resolved, That congratulations are due to the county boards and individuals in this section of the state for the active interest and financial support given to the good roads movement that has already struck marvelous changes in the highways to the promotion of speed and comfort in travel and great financial savings to farmers in transporting their products to market.

Resolved, That we favor a uniform marking of main trunk roads, town roads and cities after the plan so successfully adopted in Iowa and other states.

Resolved, That we favor legislation that will provide for uniform road building over the state under a common plan and under supervision of a state engineer and such assistant engineers as may be required and that this road work be a state appropriation for good roads that is paid for by a levy on local expenditure by the county boards. We are cordially in favor and

pledge the support of this association in the promotion of the proposed highway from Omaha to Lincoln, Nebraska City to Lincoln, Seward, York, Aurora, Grand Island and Wood River. We desire to attract our appreciation of the active interest of this city in the advance toward good roads.

For the purpose of starting the work as soon as possible there was a convention of county supervisors held at York today, which members of the county boards of Hall, Hamilton, York, Seward and Lancaster counties attended.

Plans and maps with survey of the entire route will soon be gotten out by Secretary F. J. Sharp of Aurora.

NEBRASKA POSTMASTERS ELECT OFFICERS

E. H. Starr of Lincoln is Chosen President and Next Session Will Be Held in Capital.

YORK, Neb., June 16.—(Special.)—After a most successful meeting and one of the largest attended postmasters' conventions ever held in the state, the postmasters elected the following officers and adjourned to meet at Lincoln, where they will hold their next convention:

E. H. Starr, president; W. T. Cook, Blair, secretary; B. F. Thomas, Omaha, first vice president; G. W. Shreck, York, second vice president; A. P. Minea, Fifth, third vice president.

Session to Celebrate Fourth.

SUTTON, June 16.—(Special.)—Sutton will celebrate the Fourth in old style. Among the attractions will be an erection by Hon. A. F. Smith, and fifty school boys and girls will sing patriotic airs. Lucky Bill will be here with his circus. There will be a free minstrel show on the street, a base ball game, and fireworks in the evening.

Degree of Honor Conferred.

SEWARD, Neb., June 16.—(Special.)—The ninth annual district convention of the Degree of Honor was held here today, with

forty delegates in attendance, grand Chief of Honor, Miss Mayne Chesser of Neligh, Grand Recorder Thersie Hopple of Plattsmouth, and Mrs. Minnie Shambaugh, deputy of Lincoln, and Grand Master Walling of David City attended. Aurora has been selected as the place for the next district meeting.

The Key to the Situation—See Want Ads.

S.S.S. PERMANENTLY HEALS SORES AND ULCERS

No matter in what way an old sore or ulcer first commenced, whether from a wound, cut, or bruise, or from the ulceration of a wart, pimple or mole, or even if it came without apparent reason, the fact that it does not heal shows that bad blood is responsible for the place. While the circulation remains impure the nerves and tissues of the flesh around the place are constantly being fed with unhealthy matter and the fibres are thus prevented from knitting together and healing. Purify the blood and the place MUST heal, its cause having been removed. S.S.S. cures old sores and chronic ulcers because it is the greatest of all blood purifiers. It removes from the circulation every impurity, and so enriches the blood that it nourishes the tender, sensitive flesh, and causes a knitting together of all fibrous tissue and thus heals the place. Book on Sores and Ulcers and any medical advice free. S.S.S. is for sale at drug stores.
