third and last game of the series Lindsay is some first baseman, and it takes a mighty high thill to get past his reach.

It was some lightning like double play that the Rourkes pulled off in the fifth Pa's youngaters were sure there when came to running bases, and many long chances were taken.

Joe Kneaves was there with the big stick for fair. In four times to bat he got away with three clean hits.

Not a two or three base hit was made uring the game, and several of the singles rere confined to the infield. It looked live Robinson was going for a record for awhile. In the first four innings only twelve men faced him. It looked like a run for Denver in the seventh, but good fielding and Robinson's arm did the rest after the bases had been jammed.

Nichoff played some game at second. He took seven chances without a boot, be sides covering some ground between firs and second.

The management announced last night that Hail would be pitched today and every indication points to the Rourkes taking the third and last game.
