While Sunday base ball is played every Sunday in all of the small towns in this county, not a single game has been played here on Sunday since that date. All of the players who were arrested at that time were held under bond until the close of the season and then the case was dismissed. Beaver's attorneys have promised to push the case, but only two of the ministers are fairly well-to-do and it will be hard to enforce a judgment against all of them if one is secured.

"When a child, I suffered eight years with eczema. I could not sleep at night, and had sores all over my chest. We had a doctor and some could do any good, and my mother saw the advertisement of the Cuticura Remedies in the paper. I used the Cuticura Soap, Ointment and Resolvent, and they cured me of eczema. I also used them on my five children. Two of them had eczema very badly. When my children had their heads, their hair would fall out and they would scratch all night and day. They had it on their heads, face, and in back of the ears so that I thought their ears would drop off. I washed their heads and bodies with Cuticura Soap and they are as clean as the driven snow. Cuticura Soap and Ointment also cured my children of ringworm. I would not be without the Cuticura Remedies. They are wonderful." (Signed) Mrs. Faded Cole, 26 S. SAGE TEA, USED BY OUR GRAND-MOTHERS TO DARKEN THE HAIR

Restores Gray Hair to Natural Color, Stops It from Coming Out and Makes It Grow.

It is easier to preserve the color of the hair than to restore it, although it is possible to do both. Our grandmothers understood the secret. They made a "sage tea," and their dark, glossy hair long after middle life was due to this fact. Our mothers have gray hairs before they are fifty, but they are beginning to appreciate the vision of our grandmothers in using "sage tea" for their hair and are fast following suit. The present generation has the advantage of the past in that it can get a ready-to-use preparation called Wyeth's Sage and Sulphur Hair Remedy. As a scalp tonic and color restorer this preparation is vastly superior to the ordinary "sage tea" made by our grandmothers. This remedy is sold under guarantee that the money will be refunded if it fails to do exactly as represented. This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. Sherman & McConnell Drug Co., and Owl Drug Co.
