PUEBLO TAKES THE OPENER

Bunches Hits with Omaha's Errors in Fourth Inning.

BOTH PITCHERS ARE STRONG Hall is Hit Safely Six Times, While the Rourke Family Lands on the Ball But Five Times-Ladies' Day Today.

Jimmie Kane let a grounder through him in the fourth inning and mussed up what had been a perfect game of ball. That miss started a raily on the part of Pueblo and before the inning was over three of the braves had crossed the plate. enough to win.

For three innings Hall and Durham had been having an even break in a real pitchers battle before the usual big Sunday. crowd. Koerner was the first man up for Pueblo and he put a grass cutter at Kane. who let it go by. Hughes sacrifieed him to second. Davis singled to right and Koerner scored Schmid walked and when Hall threw the ball to catch Davis off second Nichoff muffed it and Davis so red-Schmid perched on third from which point of vantage he scored on Clemmons' two-

sacker. That made three runs. Davis hit another single in the sixth inning and went from first to third on a passed ball. He brought in Pueblo's other

run on Schmid's infield out.
Omaha made its only run in the fourth inning, although it looked as though more might score. Captain Schipke was the first man up and he was given a free life when Koerner muffed a foul tip off his bat. The boss manager followed this fluke with a single and went to second on Kane's grounder to first. He scored on the longest hit of the day which was made by Gus Williams, who stretched it into a three-sacker. He turned his ankle in silding into third, but was able to continue in the game. Schoonover and King followed him at bat, but were not able to bring him

Pueblo again today. Each team went through the game with but nine men playing. Durham fleided his position well in all the chances that were offered him.

Slugger Bill handled the managerial reins from third as Pick is on the hospital list for a short time.

The Pueblos did not fare very well trying to steal on Agnew, although Berger got away with one.

Ump. Morgan was troubled with the heat r something and could not see very well n balls and strikes.

on balls and strikes.

Hall pitched a great game in spite of the handicap of the errors back of him and the poor work of the ump.

Agnew had a nail torn from the index finger of his meat hand in the first inning but continued in the game as Arbogast was under the weather.

Manager Frank 1.

Manager Frank Isbell works just as hard is he makes his boys work before the game and during the contest is centinuously dong the coaching line.

Schmid made the prize play of the day when he was caught off first in the ninth. He had hit a high one which Williams, Kneaves, King and Niehoff had let fall on the ground, untoughed, between them. Schmid overran first, when Williams grabbed the ball and Kane did the rest by tagging him.

tagging him.

After watching Morgan call balls and strikes for a few innings it is easy to understand how O'Brien got eighteen strikeouts in a game against St. Joseph at Denver. Also, it is easy to understand the feelings of the St. Joseph players after the game. Durham could have struck out forty-five Omahams yesterday if conditions ha dealled for it. GRIEZLIES LOSE TO ST. SIOUX HAMMER LINCOLN HARD Twenty-Three to Eight, Tella Story of Batting Bee.

SIOUX CITY, June 25.—Sloux City hammered Lincoln's pitchers all over the lot today and won, 25 to 8. Manager Towne took no chances and when the Antelopes began to find Wilsen, who started the garse, he called on Melter. The latter gave no evidence of puzzling the visitors and he in turn was relieved by Sage, who managed with the big lead his team mates had to last uniti the end of the game. Score:
