#### The Satisfied Customer

There are many positions in a cleaning plant that require Experience and Ability besides the actual Cleaning or Dyeing.

The Receiving and Shipping Clerks, the Checkers, the Assorters, the Inspectors, the Spotters, the Finishers, etc., all have their special work to do.

For fourteen years we have been getting together our corps of workers, and a more efficient and loyal organization cannot be found in any business house in Omaha.

This is the main reason why we have so many Satisfied Customers, and we fully realize the advertising value of a satisfied customer—therefore spare no pains or expense to make each and every person who has work done by us a self-appointed booster.

If you will call any Tuesday afternoon we will take pleasure in showing you through the largest and best equipped Cleaning and Dyeing plant in the middle west and you may carry home one of our Illustrated Catalogues and Price Lists.

We pay special attention to out of town business and pay express one way on orders of \$3.00 or more.
